Dental Hygiene A.S. Degree

The Dental Hygiene Program at Cabrillo College, is affiliated with the University of the Pacific, Arthur A. Dugoni School of Dentistry, San Francisco. Upon completion of the 2-year program, students are eligible to take the state and national licensing examinations. Program retention is based on a minimum grade of “C” in all courses in the published dental hygiene curriculum. Courses must be taken sequentially. A dental hygienist is a person who is trained and licensed to provide dental hygiene therapy, exposes dental x-rays, and provides services, usually under the supervision of a dentist. The dental hygiene profession demands a high level of ethics, professionalism, critical thinking, and manual dexterity. It is strongly suggested that students meet with an academic counselor to review coursework before applying to the Dental Hygiene Program.

Learning Outcomes
1. Promote dental health and disease prevention both at chairside and at the community level
2. Apply ethical, professional, and legal concepts to the provision and/or the support of oral health care services to all persons

How to Apply
Admission to the Dental Hygiene Program requires a separate and additional process to the general college admission. The dental hygiene information and application forms will be available online in 2015 at www.cabrillo.edu.

General college admission information is available on the Admissions & Records website found at http://cabrillo.edu/services/ar/

Read all material in the application packet and the appropriate sections of the Cabrillo College Catalog about the associate degree in Dental Hygiene, academic regulations, attendance and graduation requirements. Return the completed dental hygiene application forms by U.S. Postal Service Certified Mail and Return Receipt to the Dental Hygiene Program. See DH Program How to Apply at http://www.cabrillo.edu/academics/dentalhygiene/

Applications will not be considered complete if prerequisites are in progress and/or the student's files are incomplete. Students are responsible for submitting a complete application to the Dental Hygiene Program, which must be sent by certified mail. It is the responsibility of the applicant to inform the Dental Hygiene Department of any change in address or telephone number.

A completed application includes:
1. Dental Hygiene application form,
2. Physical and Non Physical Standards form,
3. Transcripts documenting ALL completed college coursework
   • Cabrillo College courses only: Print two (2) WebAdvisor unofficial transcripts.
   • ALL other colleges/universities attended: Two (2) sealed official transcripts.

Acceptance is based on:
1. Completed application as outlined above,
2. Receipt of complete application U.S. Postal Service Certified Mail and Return Receipt requested,
3. Completion of all science prerequisites with a GPA of 2.7 or better.

4. Completion of English prerequisite with a GPA of 2.0 or better.

Admissions criteria is currently under review and subject to change.

Health Screening and Clinical Compliance Requirements

To comply with state and local regulations for health care providers, students enrolled in the Cabrillo College Dental Hygiene Program are required to meet health screening and clinical compliance according to program guidelines, including vaccination and drug testing requirements and to provide documentation thereof. Students are also required to complete criminal background checks and drug screening, and may be denied access to clinical facilities based on the results.

Due to the rigorous academic nature of the Dental Hygiene Program it is advisable to complete the general education requirements for the Associate Degree, before entering the program. The DH program follows the academic policies and procedures listed in the Cabrillo College Catalog and DH Student Policy Handbook.

MATH 152, or MATH 152A and MATH 152B or MATH 142 or MATH 142A and MATH 142B or equivalent is a prerequisite for CHEM 30A and CHEM 32.
CHEM 30A is a prerequisites for CHEM 30B, BIO 5, and BIO 6.

If you have passed a prerequisite course with an A, B, or C, your GPA will not improve with repetition of that class.

These prerequisites may also be used to satisfy appropriate general education areas.

Successful completion of these prerequisites or equivalent is required before applying to the Dental Hygiene Program. It is required that all science prerequisites be completed within the last six (6) years.

*SOC 2/2H meets the Multicultural Studies Requirement for graduation.

Please note that the above courses may also be used to satisfy appropriate general education areas.

NOTE: It is highly recommended to complete the General Education courses prior to entering the DH Program.

General Education

This A.S. Degree requires completion of a 21-unit general education pattern (see Cabrillo College Catalog under Associate in Science Degree or the A.S. Degree worksheets available in Counseling or on the Transfer and Articulation website.)

A Bachelor of Science/Bachelor of Arts Degree from a regionally accredited college or university will satisfy all general education and competency requirements for Cabrillo’s non-transfer A.A. and A.S. degrees, with the exception of the multicultural requirement and program specific graduation requirements.

Mathematics Competency Requirement

The A.S. Mathematics Requirement may be met by successful completion of intermediate algebra or equivalent or a higher-level mathematics course with a grade of “C” or better. Successful completion must be verified by an official college transcript or by an appropriate score on the Cabrillo mathematics assessment.

Multicultural Requirement

An approved multicultural course is required for graduation. This course may be double counted with general education or other program graduation requirements. Courses taken at other regionally accredited colleges can be used when approved by a Cabrillo Counselor.

Dental Hygiene Courses

DH 7 Head and Neck Anatomy and Embryology

2 units; 1.5 hours Lecture, 1.5 hours Laboratory
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Covers the anatomy of the head and neck, emphasizing aspects useful for dental hygiene students. Includes embryonic development of the head, neck, and oral cavity. Portions may be taught in a Distance-Learning Format.
Transfer Credit: Transfers to CSU.

DH 149A-Z Special Topics in Dental Hygiene Education

0.5 - 3 units; 0.5 - 3 hours Lecture, 1.5 - 9 hours Laboratory
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Teaches selected topics in Dental Hygiene education not covered by regular catalog offerings. Each special topic course will be announced, described, and given its own title and letter designation in the Schedule of Classes. The structure and format of the classes will vary depending on the subject matter.

DH 160 Oral Health Education

2 units; 2 hours Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; PSYCH 1 or PSYCH 1H; CAHM 20.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Presents concepts of oral disease, prevention, and promotion of positive attitudes and behaviors toward oral health. May be offered in a Distance-Learning Format.

DH 161 Preparation for Dental Hygiene Clinic

0.5 unit; 0.5 hour Lecture, 0.5 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces dental terminology, basic instrumentation skills, proper positioning and ergonomics, and time management for the dental hygiene student. May be offered in a Distance-Learning Format.

DH 162A Patient Assessment I

3 units; 3 hours Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces medical-dental history, oral inspection, oral manifestation of diseases and emergencies. May be offered in a Distance-Learning Format.
DH 162B  Patient Assessment II
3 units; 3 hours Lecture
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; DH 162A.
Corequisite: DH 173.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Covers pharmacologic principles and patients’ special needs applied to the practice of dental hygiene. Emphasis on drugs prescribed in dental settings, taken for systemic disorders and used by special populations. May be offered in a Distance-Learning Format.

DH 163A  Dental Radiology
3 units; 2 hours Lecture, 3 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces advanced clinical techniques, advanced treatment planning, and evaluation of treatment through clinical experiences at Cabrillo and outside clinics. Third in a four-course series in clinical dental hygiene practice. May be offered in a Distance-Learning Format.

DH 163B  Dental Radiographic Interpretation and Case Studies
1 unit; 1 hour Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces identification of dental radiographic anatomy and introduces specialized techniques with analysis of case studies. May be taught in a Distance-Learning Format.

DH 164  Dental Materials
2 units; 2 hours Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces professional/ethical conduct, sterilization, infection control, patient assessment, and instrument basics of exploring, probing, and beginning scaling techniques through laboratory and clinical experiences. First in a four-course series in clinical dental hygiene practice. May be offered in a Distance-Learning Format.

DH 167  Clinical Dental Hygiene I
6.5 units; 2 hours Lecture, 14 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; DH 171.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces dental and periodontal charting, desensitizing, dental sealants, ultrasonic scalers, and Gracey curets through laboratory and clinical experiences. May be offered in a Distance-Learning Format.

DH 168  Oral Pathology
2 units; 2 hours Lecture
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces general pathology and clinical pathology of diseases affecting the oral, head, and neck areas. May be offered in a Distance-Learning Format.

DH 169  Clinical Dental Hygiene II
8.5 units; 2 hours Lecture, 20 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; DH 173.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces advanced clinical techniques, advanced treatment planning, and evaluation of treatment through clinical experiences at Cabrillo and outside clinics. Third in a four-course series. May be offered in a Distance-Learning Format.

DH 170  Tooth Morphology, Oral Histology, and Oral Embryology
2 units; 2 hours Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Discriminates between normal and abnormal clinical appearance of the permanent and deciduous dentition as well as in-depth oral histology and oral embryology. May be offered in a Distance-Learning Format.

DH 171  Introduction to Clinical Dental Hygiene
6 units; 3 hours Lecture, 9 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces professional/ethical conduct, sterilization, infection control, patient assessment, and instrument basics of exploring, probing, and beginning scaling techniques through laboratory and clinical experiences. First in a four-course series in clinical dental hygiene practice. May be offered in a Distance-Learning Format.

DH 172  Advanced Case Studies
1 unit; 1 hour Lecture
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Provides opportunity to apply critical thinking skills in relating theoretical principles to clinical practice using a case study approach. May be offered in a Distance-Learning Format.
DH 183  Clinical Dental Hygiene III
6 units; 1 hour Lecture, 16 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; DH 181.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Studies new technology and computer based skills for the operatory, refinement of local anesthesia, nitrous oxide analgesia, and advanced clinical techniques through clinical experiences at Cabrillo and outside clinics. Fourth in a four-course series in clinical dental hygiene practice. May be offered in a Distance-Learning Format.

DH 184A  Pain Management I
2 units; 1 hour Lecture, 3 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Teaches theory and techniques for administration of regional anesthetic agents, including nerve and field blocks limited to the oral cavity. May be offered in a Distance-Learning Format.

DH 184B  Pain Management II
1 unit; 1 hour Lecture, 1 hour Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Teaches administration of nitrous oxide/oxygen conscious sedation competently to clinical proficiency. May be offered in a Distance-Learning Format.

DH 186A  Community Oral Health
2 units; 2 hours Lecture
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Introduces the principles and practices of dental public health, and the role of the dental hygienist as an innovator of and educator in community health programs.

DH 186B  Community Oral Health and Case Studies
1 unit; 3 hours Laboratory
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program; DH 186A.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Covers planning, implementation, and evaluation of a dental health project of the student’s own design with a dentally-underserved population. A continuation of DH 186A.

DH 187  Dental Hygiene Law and Ethics
2 units; 2 hours Lecture
Prerequisite: Acceptance to the Cabrillo Dental Hygiene Program.
Recommended Preparation: Eligibility for ENGL 100 and READ 100.
Repeatability: May be taken a total of 1 time.
Teaches current concepts in ethics and legalities involved in dental hygiene practice. May be offered in a Distance-Learning Format.
