End of Term Friday 17 July 2015

Dear Parents and Carers,

The end of term has finally arrived and I am sure your daughter is looking forward to a break from school! The last two weeks could not have been busier, incorporating the Summer Fair, which raised over £2500; our Celebration Evening where 155 students received a variety of awards for their progress, achievement and contribution to the school; Open Evening, at which our students attracted fulsome praise for their work as fantastic ambassadors for the school; trips to the Battlefields, to the V&A, to Brighton and to Thorpe Park, all of which were greatly enjoyed by all involved. Amazingly, 180 Year 10 students have also completed their Bronze Duke of Edinburgh expedition and many of them also performed at their Performing Arts Showcase. We concluded the week with our annual Sports’ Day and a celebration of achievement in our final year and school assemblies which was a very fitting way to end such a positive year.

Further recognition for Rosebery: Inclusion Quality Mark

I am delighted to report that, after a rigorous two-day assessment, during which time lessons were observed and numerous students, governors, parents and staff were interviewed, we have been awarded the Inclusion Quality Mark. The IQM uses a standard for assessing schools against a national framework for inclusion and our report is fulsome in its praise for the way stating the way in which, ‘students come first at the school and everything possible is done to support them’, where ‘student behaviour and attitudes are exemplary and they are able get on with their learning without being disrupted in lessons’, and ‘where leadership is determined and is relentless...and is extremely effective in pushing the school forward and leading it in the right direction in its journey towards outstanding’. We are thrilled that student, staff, parents and governors have been recognised in this assessment and I look forward to sharing the full report with you in due course.

Farewells to staff

As always at this time of year a number of staff leave our community. All have given a great deal to our students, inspiring a love of their subject and supporting students both in the classroom and in their extra-curricular activities. This year we warmly thank and wish the very best to: Miss Francis (Science), Miss Ball (English), Miss Money (English) and Miss Busuttin (English), who are returning to Australia; to Miss Pettet (Music) and Miss James (Maths), who are moving to promoted positions elsewhere; to Mr Campbell (Maths), who is moving to Spain; to Mrs Cameron, Mrs Walcott (SEND) and Mr Burgess (Art Technician), who are leaving for new opportunities; and to Mr Naemi (Maths) and Mrs Robertshaw (Assistant Headteacher), who are retiring from teaching after long and distinguished careers.

Rosebery School Whitehorse Drive Epsom KT18 7NQ T.01372 720439 www.roseberyschool.co.uk

Follow us at RoseberySchool1
We also wish Mrs Wiggins-Thirkill (Art) and Mrs Clarke (School Business Manager) well as they begin their maternity leave. I will write to introduce the new staff to you in September.

Arrangements for the start of the new school year

We will be back to school before we know it. Please find below the timings and arrangements for our return in September.

Uniform for the start of the year

I would be very grateful for parents’ support in ensuring your daughter arrives for school in the correct uniform at the start of the year.

- Shoes should be black leather. Vans or trainer/plimsoll style shoes are not permitted.
- All piercings should be removed apart from one earring in each earlobe, if desired. If your daughter intends to have her nose or upper ear pierced, she will need to do so right at the start of the holiday, as she will not be permitted to wear these adornments at school and will be asked to remove them.
- Acrylic nails and hair wraps should be removed before the start of term.
- Rings, necklaces and bracelets should all be left at home.
- The new blazer and the new darker jumper are optional for students in Years 8-11. The blazer is compulsory for all students in Year 7.
- All marked or ripped uniform should be replaced.

Finally, I would like to thank all the teaching and support staff as well as the governing body for their hard work and support this year. It has been a pleasure and privilege to work with such a lively, intellectually curious, kind and hard working group of students this year, and I am also very grateful for all the support we have received from parents of students across the school. The PSA have raised thousands of pounds for us as a result of the dedicated efforts of Susan Blake and her small but perfectly formed team, and the Parent
Council are helping us to understand how we can improve our systems so that we more effectively meet the needs of parents and students.

I look forward to continuing to work with you next year and, in the meantime, wish you all a very good summer break.

Ros Allen

Thank you to our PSA for a successful Summer Festival and for all the support you have given to our school this year. All parents are automatically members of our PSA and if you would like to get involved, please contact us on: http://www.roseberyschool.co.uk/parents/parent-council/psa/.
Headteacher Commendations

906 students have been awarded HT Commendations this year! What a fantastic reflection of the hard work, dedication and compassion of our students. The last awards of the year go to:

Year 7 - Mrs Martin has nominated Molly Bailey 7RY, Rachel Brewin 7RY and Scarlett Turner 7SY, for their excellent Science exam results.

Year 8 - Mrs Callaghan has nominated a number of students in 8RY who have demonstrated excellent leadership. They put themselves forward for the roles of group leader and have worked hard to coordinate the work of their groups to produce detailed and informative presentations on different aspects of plantation life in the Americas. They are: Molly Jayasuriya, Kaitlin Crossman, Abi Wallace, Tayyiba Choudhury, Amy Catcheside, Tayla Davis, Antonia Housen and Maria Goubran-Keshta. Mrs Martin has nominated Lauren Flack 8RY and Jemima McCaffery 8SY for excellent Science exam results, and Sophie Bateup 8RY for making a real effort in Science recently, particularly with revision for her exam; and Miss Risby has nominated Jessica Bird and Hannah Palmer in 8SY for the fantastic French video they made. Ms Wright has nominated Catherine Meech 8EX and Elise Elgar 8EX for their fantastic work at Open Evening for the MFL Department - Elise wore a toga to promote Latin and made herself a crown of laurel leaves!

Year 9 - Emily Dicey 9DY has been nominated by Mrs House-Lee for her continued commitment, hardworking attitude and enthusiasm in Drama and Mr Breaden has nominated Elisabetta Ciesco 9SY for her consistent effort in class and assiduous approach to her learning. Ms Baker has nominated Jasmine Helm-Stovell and Maya Ashley 9SY for their movie production of the “Sweet Bandits”, which was both well-written and thoughtfully produced. She would also like to nominate Izzy Plowman 9SY for her entertaining “SuperGeek” film and for helping fellow students with their technical queries. In 9EX, she would like to nominate Elodie Guyon-Pelfrene and Gemma Sutcliffe for their dedicated work on their podcast including the creation of a themed website to accompany it. Jan Brondo, Freya Hawken, Sam Perren and Tara Weatherston in 9DY have all been nominated by Mr Chamberlain for their outstanding homework on conformity, authority and the Holocaust. Mr Naemi has nominated Holly Harding for being a very caring member of 9DX and Ms Wright has nominated Alicia Thornton 9SY, Lydia Turpie 9SY, Emilie Cooke 9SY and Dina Ismail 9EY for their fantastic work at Open Evening in the MFL Department.

Year 10 - Mrs Carnegie has nominated Lindsay Allen 10SX for achieving 100% in her Year 10 RS mock and Miss Nejad has nominated Sarah Alford 10RX who also got 100% in the RS mock exam. Miss Glazebrook has nominated Eleanor Goddard 10EY for excellent progress in Spanish this year and Katie Marley 10RY for a fantastic performance in her Oral exam. Mrs Callaghan has nominated Gabby Gumbs, 10DX, for her hard work and perseverance in Health and Social Care. Her perseverance has resulted in excellent progress. She has also nominated Alice Hill 10DX, for her hard work and excellent attitude and Abbie Bean 10RX, for her hard work and enthusiasm in Health and Social Care. Their efforts have resulted in them both making wonderful progress this year. Watson has nominated Iman Rizvi 10SX, for achieving 100% in her HSC mock paper. And Mrs Coombes has nominated Hannah Walker 10EY, Chloe Rodrigues 10SY, Rachel Downey
10SY and Katie Marley 10RY for sharing their outstanding writing with the class. Mrs Evans has nominated Rebecca Arnett, Charlotte Sherry and Molly Dodd in 10RX for their recent Drama Unit 3 performances, which showed exceptional improvement from the Dress Rehearsal to the mock examination performance. Miss Haggis has nominated the following students who have exceeding their target grade in their mock Textiles paper Lucy Bassett, Amara Berger, Gabriella Binyon, Amy Coombes, Grace Cooper-Burrows, Alex Goodright, Mia Harrold, Alice Mills, Gabriella Reynolds and Lucy Venables.

**Sixth Form** - Mrs Watson has nominated the following students for their work on their Health Promotion: Hamama Ahmed, Tasmin Ali, Kathryn Clark, Lucia Daniels. Tara Donnelly, Tiffany Gato, Embeth Marsh, Olivia Moffatt-Goulding, Chloe Morris, Lydia Norman, Rianna Patel, Uju Rockson-Rapu, Germain Sahabandu, Mollie Sibley, Jessica Stimpson and Tanya Tapera. Ms Wright has nominated Juliet Martin for her fantastic work for the MFL Department on Open Evening.

**Cambridge Chemistry Challenge**

The following A level Chemistry students achieved awards in the prestigious Cambridge Chemistry Challenge this year. Juliet Martin - Silver Award, Katherine Shepherd - Gold Award, Imogen Nichols - Copper Award, Victoria Phillips - Copper Award and Roseanna Cheverton - Copper Award.

This is an excellent achievement and I extend my congratulations to you all.

*Mrs Hayes*
Textiles Charity Enrichment Club

This term, eleven Year 9s have attended four Wednesday after school clubs to create dresses for the charity ‘Dress a Girl Around the World’. This charity supports children in deprived countries and countries that have recently faced tragedies. The dresses will be sent to the charity this week.

Well done girls, you have produced some excellent dresses and we are all very proud of you!
Science Club News

Congratulations go to Natalia Chemaitelli, Jasmine Helm-Stovell and Nia Thomas who receive a British Science Association Bronze award for their investigation into surface tension effects in different liquids.

Well done also to Isabel Anderson and Molly Purvis, who achieved a British Science Association Silver award for their project that determined the effects of a stimulant (caffeine) on the heart rate of the water flea (Daphnia).

All these girls, plus the other Science Club students who are in the process of writing up their projects, have worked really hard throughout the year and shown great enthusiasm for going deeper into Science.

Well done, girls!

In other Science news, Jasmine Helm-Stovell’s entry to the Physiological Society’s ‘Women in Physiology’ poster competition has been short-listed for final review at the Society’s annual conference, Physiology 2015. Jasmine’s innovative poster focused on the work of May-Britt Moser. It included detail on Moser’s research into the brain’s mechanism for representing space and was set against a background that reflected the dress design that Moser wore for her Noble prize acceptance speech – the pattern of a grid neuron!

Musicathon 2015

Thank you to all the students, staff and parents who helped to make this year’s event such a success!

Full details on amount raised will be available in September.

Mrs Turner, Head of Music
Alumnae 40th Anniversary Reunion

It is always a great pleasure for us to welcome back our alumnae. Our students are delighted to take our visitors on a tour of the school so they can see the facilities, reminisce and catch up with old friends.

On 4 July, we welcomed back a group of 14 alumnae who were students here 40 years ago, in the late 1960s and early 1970s. Miss Yeo, who taught them Science at the time but is now retired, was also able to join them, which they greatly appreciated. The ladies had decided to enjoy the fun of the fair and attend our PSA Summer Festival, soaking up the atmosphere, listening to the music of the bands, touring round the various stalls and amusements and having some refreshments. They were then taken around the school to admire our new buildings and also recognise others which had not changed over the years, including the boards in the Hall inscribed with hundreds of students’ names.

The ladies then settled down to swap old photographs and delve into the school archives. They all had stories to tell of the ‘old days’ at Rosebery and were often in fits of laughter as they saw how they used to look and recognised and remembered old teachers and classmates. They all had fond memories to share of their days at Rosebery but were also extremely interested to see how the school is now. They were delighted that the fair gave them the opportunity to chat to some current students and parents; they remarked how enthusiastic, happy and eloquent the girls are when speaking about their school.

It is always fascinating to learn about our alumnae’s lives and careers after Rosebery. Many have travelled far and wide, some settling in other continents and speaking several languages. Among the group on Saturday were teachers, administrators and even an ambassador. Several of them had daughters who had also attended the school so they certainly view Rosebery as part of their family.

The ladies’ finished their visit by having tea at The Harvester where two more ladies were able to catch up with the group and where, I’m sure, the reminiscing and laughter continued well into the afternoon. I was delighted to have met such a lively, friendly and fun-loving group of alumnae and perhaps we will have the pleasure of welcoming them back for their next anniversary celebration.

This photograph was taken when the ladies were enjoying time together in the Quad at the Festival.

*Mrs Doh, Head’s PA*
Celebration Evening

Thank you to all staff and parents who attended the Celebration Evening on Thursday 9 July. The students received rousing and almost continuous, much deserved applause.
As a reminder, the students were awarded for the following criteria:

*Academic Achievement Student has:
- Achieved the highest level in the year group
- Received only 1s for ATL & QIS
- Consistently met and gone beyond academic expectations in class
- Met or exceeded their target level

Examples of additional criteria when 2 students meet expectations:
- Is an excellent ambassador for the subject who always participates in class
- Demonstrates enthusiasm and willingness to take risks in their learning
- Takes part in subject related extra-curricular activities
- Takes part in projects to mentor other students

*Academic Progress Student has:
- Made the most progress in the year group from their given starting point
- Received only 1s for ATL & QIS
- Met or exceeded their teacher’s projected grade target level

Examples of additional criteria when 2 students meet expectations:
- Is an excellent ambassador for the subject who always participates in class
- Demonstrates enthusiasm and willingness to take risks in their learning
- Takes part in subject related extra-curricular activities
- Takes part in projects to mentor other students

Special Awards

This award is given to a student who has made a significant individual achievement or progress in a subject. Staff may use this to recognise determination in the face of adversity or consistent exceptional performance that goes beyond the above criteria.

House Awards Student has:
- Shown excellent leadership through contribution to multiple House events
- Exemplary behaviour and uniform
- Helped their form tutor on a regular basis
- Supported their form group or others in the house

Students who achieve this award may also have made a significant contribution to the school and house in other ways

Headteacher Awards

These awards are given to students in all year groups who have received the most multiple nominations for academic and progress categories.
Student Leadership

The following students have achieved a great deal this year as they have worked towards their Leadership Awards. The Award is an excellent opportunity for the school to recognise the work our students do every day as they lead others and drive forward their interests and passions.

Students have received their awards for activities ranging from organising charity events to taking sections of lessons.

I hope to see many more students become involved next year.

Ms P Rundle, Senior Teacher

Activities Week 2015

Year 7 Activities

Year 7 have been involved in a variety of activities over the course of the week which have tested their resilience and strength. On Monday, they were visited by a group called Challenger Troop, who led a range of team games, sports and challenges for them to engage with. The students did this despite the weather being far from perfect! When they had completed Challenger Troop activities, they undertook the Squashed Tomato Challenge – this saw Year 7s trying hard to transport...
tomatoes, in the way that Nepalese farmers would, without squashing them! Amazingly, Rosebery managed to stay relatively tomato free!

The girls then spent Tuesday undertaking a Dragons’ Den project, in which they created their own products and pitches. The teachers very much enjoyed being a dragon for the day too! Wednesday was also a day spent investigating and creating time capsules. Overall, a very creative set of days for Year 7!

**Miss Lowe, Head of Year 7**

### Year 8 Fashion Designers!

Year 8 have spent three days working as design teams to create show-stopping paper ball gowns. On Monday we visited the V&A Museum Fashion, Costume, Sculpture and Jewellery rooms for inspiration, then teams of five worked tirelessly over Tuesday and Wednesday before showcasing their creations in a fashion show finale. Once again, I have been amazed and inspired by the originality and professionalism of many groups, who took the ‘ambitious’ brief to a whole new level. Working only with paper and limited tools, the catwalk was packed with textures, shapes and patterns that could have been produced by top adult designers. It was incredibly hard to pick an overall winner, but look out in the main foyer next term for the First, Second and Third prize ball gowns on display!

**Mrs Wiggins, Head of Art**

### Year 9 Activities

The students spent their Activities Week focused on the centenary and World War One commemorations. They have experienced all kinds of activities, from talks by the 10th Essex Living History Group, to designing their own camouflage and resources for our Year 5 visitors from Bandon Hill Primary School. The week made the students really think about the impact of the First World War and how those involved were affected by events.

**Miss Margetts, Activities Week Organiser, Head of History**
**Year 10 Activities**

During Activities Week, the majority of Year 10 have been completing their Bronze Duke of Edinburgh final expedition in the Surrey hills. The girls in school have also had an action packed few days. Monday was our community day, where girls completed a number of projects including a World War 1 memorial garden, a large Art mural and a comfortable group study area in Social Sciences. Tuesday involved three ex-military personnel putting the girls through their paces. The girls did team skiing, an assault course and tug of war. The reward for all of the girls was a day at Thorpe Park on Wednesday, with lots of rides and fun had by all.

*Lucy Nicholson, Head of Year 10, Head of Biology*

**Year 12 Activities**

On Monday morning, despite the rain, Rosebery’s Sixth Form took over Stamford Green in Epsom, to hold a day of **British Military Fitness**. This was the day that most girls were dreading and was a topic of conversation before activities week around school. From the moment the girls arrived, they were inspired, resilient and, not forgetting, competitive. The day consisted of warm up activities such as carrying tyres across the field, team balances, blind folding obstacle course, which facilitated the new tutor groups to bond. As the day progressed, the groups took part in tug of war, obstacle courses, team work challenges and we finished with a large assault course, including the highlight of crawling through a large camouflage net! The girls carried on regardless of the weather and I did not hear one moan throughout the whole day. The smiles at the end of the day were a picture!

On Tuesday, coaches took us into Brighton for an adventurous day of site-seeing. Groups of students were able to have some free time on the pier and to walk around the shops and the lanes. The coach journeys were very quiet as the girls were so tired, but a great day was had in the sun, despite having to walk with aching muscles.
On Wednesday, the Sixth Form turned to business dress for an Innov8 day of business enterprise. In small groups, the girls competed to design a product or service that is lacking in the current market. Each of the 17 groups came up with unique ideas, ranging from apps for mobile phones, thermometers for baths, self-hole punching ring binders and many more. Congratulations to Anna, Beth, Lara, Lauren, Connie and Rameen for winning the overall best product.

May I take this opportunity to wish Year 12 a restful summer break and thank parents for your ongoing support. Fingers crossed for you all when you open your results in August!

Mr J Waight, Head of Year 12, Head of Drama & Performing Arts

Rosebery Sixth Form News

As we reach the end of a long but fruitful academic year at Rosebery Sixth Form, (and another brilliant Year 12 Activities Week comes to a close), it seems a perfect opportunity to reflect on what makes Rosebery such a successful and happy place to study Post 16.

I have spoken to our Year 11 students several times this year about what Rosebery offers at Sixth Form, but I am aware that some students still have decisions to make regarding their destinations from September. After my first year as Director of Sixth Form, I would like to summarise some of the aspects that make Rosebery such a special place:

- A caring and supportive pastoral system where students are well known and respected as individual young women by a familiar and highly experienced staff.
- Rosebery Sixth Form is not so big that students get 'lost' in the system and simply become Year 12 and 13 pupils - at Rosebery, girls are 'Sixth Formers' and are treated as such from September.
- A dedicated Sixth Form Careers Advisor and a comprehensive programme of information, advice and guidance for university, apprenticeship and employment opportunities. Our level of commitment to IAG is unique and something to be proud about.
- A range of leadership opportunities for our senior students (from the Head Girls to Community Sports Leaders, from Prefects to Paired Readers) that provide skills and experience for next steps and later life.
- A broad and diverse range of enrichment activities aimed at young women and available to all. This includes Young Enterprise, Duke of Edinburgh Gold Award, Extended Project Qualification as well as successful sports teams and music and drama opportunities. As you can see in the Activities Week photos, Sixth Form is a lot of fun!
- A wide range of A Level subject options in an era where many institutions are narrowing their curriculum offer.
- Exceptional exam results that compare more to local independent schools than state schools nationally. Departments and our Sixth Form Team work tirelessly to monitor, intervene and support individuals where required.
It is not too late for Rosebery girls (current Year 11) to apply for a place at Sixth Form. Speak to me directly on Results Day, or send me an email, if you haven’t yet handed in the application paperwork (see the website for information).

**Key Dates**
13th August - A Level Results Day  
20th August - GCSE Results Day  
1st September - Year13 Enrolment Day  
1st September (pm) - Year12 Enrolment (external non-Rosebery students)  
3rd September - Year12 Enrolment (internal Rosebery students)  
4th September - Year13 lessons begin  
7th September - Year12 lessons begin

I have thoroughly enjoyed my first year as Director of Rosebery Sixth Form and look forward to seeing a host of new faces in September to join our thriving and buzzing community.

Have a lovely Summer break.

*Guy Carter & the Sixth Form Team*

---

**ATKINS IET Engineering Open House**

This month, the Institution of Engineering and Technology (IET), is calling on young people and their parents to visit the exciting venues taking part in its inaugural Engineering Open House Day.

The events will be taking place at businesses and a number of prestigious venues across the UK, week commencing the 27 July. It will form part of the IET’s Engineer a Better World campaign which aims to showcase the exciting engineering career opportunities in the industry that are open to young people.

**There is an event at Atkins in Epsom on 31 July which Rosebery students and parents are invited to attend. Please click the link below for more information and tickets:**

Encore! Encore! – Year 7 French Play Performances

Last week, Year 7 performed a French play to the members of the Leadership Team. The X side did ‘J’ai du Talent’ but the Y side did ‘Vive la Révolution’.

Our class performed ‘J’ai du Talent’, based on ‘France Has Got Talent’, which contained some entertaining acts. In 7DX, the three acts who competed to win were: Lucy and her dog Mia who danced to ‘Who let the dogs out?’; Dance Stars (Yasmine, Kiera, Charlie and Frankie), who had a very humorous dance act; and finally Louisa and Amelia, who gave a very emotive poetry reading. As well as contestants, we had an encouraging crowd along with six judges who had a tough decision to make when it came to the winner. To top it off, we had six girls who played the roles of mini Ant and Decs!

After our tiring play on the hottest day of the year, we were fortunate enough to be able to watch 7RYs production of ‘Vive la Révolution’, which gave us a historical insight into the French Revolution. The strong singing of the chorus made it a performance to remember along with the realistic props and costumes. Even Ms Allen (who, apart from being our Headteacher is also a History teacher) said that she learnt something new from watching their performance!

It was a very enjoyable experience with our friends and teachers which helped us show off what we had learnt since starting Year 7. We hope to do it again sometime!

By Holly Payne and Alánnah Thompson, 7DX
PE Department Sporting Success 2014/15 – A ROUND UP OF ALL SPORTS

Netball:

Year 7  
A’s District tournament - 3rd  
B’s District tournament - 5th  

Year 8  
A’s District tournament - 4th  
B’s District tournament - 4th  

Year 9  
A’s District tournament - 2nd  
B’s District tournament - 2nd  
County Rounds - 4th in group  

Year 10  
District tournament - 4th  
2nd in group - qualified for County Finals  

Year 11  
District tournament - 3rd  
4th in group - County rounds  

Under 19s  
District tournament - 1st  
3rd in group - County rounds  

Surrey Schools’ District Cross Country Championships: All teams representing Rosebery showed excellent performances for their district with the U12 girls’ team coming 5th, the U15 girls’ team came 4th, the U17 girls’ team came 3rd and the Senior girls came 2nd.  
Several Rosebery students ran an outstanding race for their age group which meant they were selected for Surrey’s County Cross Country team. County selections were as follows:  

U15  
Hannah Palmer  

U17  
Anna Zuurmond, Emma Jardine and Morgan Morrison  

Senior Girls  
Lucy Bean  

Well done, ladies!  

Cricket:

U15  
Indoor Surrey County District Round - 1st in Group  
Indoor Surrey County - 6th in group.  

U13  
Indoor Surrey County District Round - 1st in Group  
Surrey Outdoor Cricket tournament finals - 2nd.
Hockey:

Year 7  County Plate - 1st
Year 8  Districts - 4th

UNITY Spring Competition  RED 2ND GREEN 1ST + BEST DANCE
UNITY Summer Competition  RAINBOW 1ST

Rounders:

Year 7  A District tournament - CANCELLED
        B District tournament - CANCELLED
        North Surrey Partnership Rounder’s - 1st
Year 8  A District tournament - 1ST
        B District tournament - 1ST
Year 9  A District tournament - CANCELLED
        B District tournament - CANCELLED
Year 10 A District Tournament - 3RD
        B District Tournament - 3RD
**District Athletics:**

Both teams that competed performed extremely well, considering the adverse weather conditions on the day. Our U15 team came in 6th place and our U17 team came in 4th place.

We also had some brilliant individual successes at the event:

**U17**
- 200 M: Freya Martin
- Javelin: Georgia Hassell

**Cricket:**

Year 7 and 8 students competed in the U13 Surrey Outdoor tournament. The first competition took place at Cranleigh School. All students participated extremely well and got through to the Semi-final, only to lose out by a few runs. Outstanding performances were made by Issy Berry and Erin Andrew throughout the day. As the team got through to the semi-final, they also made it through to the overall finals; this took place in Ewell on the 1 July. All members of the team were exceptional and they got through to the final, and finished in second place. Well done to all participants!

**Surrey Youth Games:**

Rosebery had 78 students represent Epsom and Ewell who came 1st. Well done Mark Hill at the Council, who oversaw the team development.

Thank you to our Sports Ambassadors, who promoted the Surrey Youth Games throughout the School.

**Club Developments in 2014/15**

**The continuation of the following coached clubs:**

- Fulham Football Club
- Amanda Johnston Unity Cheer
- Kim Nash Trampolining
- Charlene Willets After School Performing Arts Street Dance and Musical Theatre
- Gatwick Flyers Year 9 Trampolining Club

**The introduction of the following coached clubs:**

- STARTASTIC Gymnastics Club
- Chelsea Football Club
2014/15 HOUSE RESULTS

Year 7 House Hockey

House Rounders Results

Year 7 1st – 7EY
Year 8 1st – 8EX
Year 9 1st – 9DX
Year 10 1st – 10SY

Sixth Form Rounders v Glyn. On Wednesday 1 and 8 July, beautiful warm and sunny afternoons up at Priest Hill, the Rosebery Sixth Form were challenged by Glyn to a rounders match. The Glyn students were very keen to play as they had heard the Rosebery girls were highly regarded in their skill as rounders players. Glyn boys and nine girls from Rosebery played a very hard game, with some excellent batting from both sides; the fielding was also very impressive.

A lot of fun and laughter was had by both teams and spectators, witnessing some spectacular dropped catches, missed throws and the odd clash and bumping into one another as they ran full pelt around the posts.

The eventual winners were Glyn by just half a rounder. Many thanks to Mrs Mabbott from Glyn for arranging the venue for the match. We look forward to the re-match next year.
PARTNERSHIP DANCE SHOW

This week, our Rosebery Dance Club took part in the Epsom and Ewell Partnership Dance show at The Epsom Playhouse. The theme this year was 80s music and all of the schools were fantastic. Rosebery chose the Janet Jackson song ‘Rhythm Nation’ and gave a great performance. The students looked brilliant in their costumes and were full of energy on stage. It is a testament to demonstrate how hard they work all year round. Well done to Sian Walk, Jasmine Butt, Charlotte Dendy, Maggie Sullivan, Millie Akers, Aimee Gumbs, Izzy Robertson, Charlotte Lynagh, Amelia Evans, Cara Evans, Rachel White, Briony Salter and Lucy Jalland.

INDIVIDUAL SUCCESS – SUMMER TERM

ISHBEL AND ANNA ZURRMOND – SAILING

Ishbel participated in the National 4.2 Topper Championships on 13-14 June, and was 1st Girl and 8th overall.

Anna helms in a double handed Feva and sailed in the National Championships up in Rutland. This was a three-day event over May half term, in some incredibly windy conditions with masts breaking ……

Both girls are going on to sail in the World Championships this summer; Ishbel will be sailing in Lake Garda and Anna in Germany.

Well done from the PE Department.

FREYA MARTIN – ATHLETICS

Just to report back on Sat’s Surrey Schools Athletics Championships.

Freya qualified for the 200m IG final finishing 3rd in her heat (27.70 sec PB?) and then 5th in the final (27.79 - stronger headwind). In the final, the top three were all club athletes. As such, she has qualified for the next round to represent Surrey in inter-counties/ESAA champs. The next meet is next weekend; however, which we’ve declined availability due to exams. Then there is English school champs in July.

Well done from the PE Department.

ALISSA MILLS - TRAMPOLINING

Alissa Mills (10EX) had great success in a recent trampolining competition in Peterborough, in which she (along with another Year 10 Rosebery student, Emily Chambers-Rolfe, had been selected to represent the South East region (Surrey, Sussex & Kent). Alissa came fourth, achieving the second highest routine score in her second jump, and qualified for July's National Finals in Telford.

Well done from the PE Department.

LAUREN MARSDEN - FOOTBALL

Lauren (7SY) plays for Carshalton Athletic Girls Football U12. They played in the Surrey Cup FA final (U12) against AFC Wimbledon. It was an exciting and close game that Carshalton AFC won 2-0.

Well done from the PE Department.
ERIN ANDREW – WATER POLO

Article written by Erin:

I have been playing water polo for many years, successfully representing my club (Sutton and Cheam), Surrey and the London region all in different age groups. Last year, I was invited to train at Crystal Palace as part of the regional training centre (RTC) every Friday evening. I represented the London region in a tournament in Liverpool last year where I was spotted by one of the national water polo courses. In January, I was invited to attend a trial in Cardiff for the national talent programme (now known as England Talent).

Following a very tough weekend, despite falling into the youngest age group for the talent programme, I was one of only 12 girls from all over the UK born in 2002 to be invited into the squad. In addition to my regular swimming training, I now attend water polo training at Crystal Palace twice a week. I also attend monthly training at Cardiff as part of the England talent programme. The weekends are very long and tiring, especially when having to get to the pool at 6.30am on the Sunday morning after a full day of training the previous day. There are two or three training sessions each day along with poolside strength and conditioning. At half term, our squad has a training camp in Spain and, in the summer, I am attending a camp in Milfield. If you want any more information, you can look on the water polo page on www.britishswimming.org.

Well done from the PE Department.

MOLLY CHARTRES - RUGBY

At Sutton and Epsom’s Rugby Club Prize-giving, Molly Chartres 8EX was awarded ‘Player of the Year, Girls Youth Team under 13’s’. She has been playing and training with Sutton and Epsom RFC since competing in the Surrey Youth Games last year and has progressed from touch rugby to full contact. She really enjoys it. All the girls put the time and effort in, working hard to do the best they can. Team spirit is great, the girls all support each other, and the coaching team and club are fantastic.

Well done from the PE Department.

STARTASTIC GYMNASTICS AFTER SCHOOL CLUB

Amar won Gold in grade 4

Victoria won Gold in grade 5

Annabel won Silver in grade 5

Molly and Jess did extremely well for their first competition in grade 2.

This wasn’t a school competition but a recreational club. They train 2+ hours a week throughout the year and the girls learnt so much in two terms.

Well done from the PE Department.
Come join the after school club everyone is talking about and Wow your friends & family with your own movies!

Tuesdays 3pm - 5pm at Rosebery School

Full use of Macs, Recording Studio
HD video cameras, digital film and music editing software and creative media
