Snaps by Ginger

Just a few days more and the books will be gone, but, gee, we'm going to miss those boys and girls! They are failures in stopping the hunters I am glad to report.

Life Wild Refuge—No hunting as a very different introductory language arts class when it flew in the window and perched on Bari’s King’s head. Thanks go to Larry Andrews, the hero, who captured the villain and sent him on his way before Bari Burchard had a heart attack.

The Basic Christian Beliefs class was in a very serious discussion on Thursday when the sky began to darken. A fear seized the class that the question might soon be answered. However the real climax came when Pastor Pauls asked all students to consider how we will be prepared in just how much he was learning. I asked my friend if he returned and he said, “Sure, was the reply, ‘I made them like a pair of horns. I put a point here and a point there with a lot of bull between.’ You do not sit in the library with a toothbrush in your pocket. Myles Ely, or did you forget to take it out?

Congratulations to all who made the May Festival a great success, and special congratulations to you, Ginger, and your lovely subjects. You are very proud of you.

I guess the time has come to uncover my name but before I do, I want to refer you to my rumor-rigging reporters, Judy Thompson, Bev. Simon, and Dave Brittenham. Only kidding, thanks loads, comrades.

P. S. Was your face red when you found out who Ginger was? Don’t tell.

1959 SCHOOL YEAR ENDS IN BLAZE OF GLORY

Huge Crowd Sees Queen Crowned
By BOB FREY

On May 22, the annual May Festival was held at ICC. All the frills and spiffs accompanied the performance, including: May queen, a football game, the Harlem Globetrotters who were entertained by the crowd, and many other interesting and amusing acts and participants.

The capstone of the biggest upset of the year was shown as Indiana Central defeated the powerful Notre Dame team. The winning touchdown was scored on a bad pass by the Notre Dame, All-American quarterback, "Moose" Moore to Central's "Stan" Rathbun. The crowd was turned away for the score. An unexpected egg was thrown upon the umpire in the second half. As the Central's singing mines yielded out, "You Gotta Have Heart!"

Later on in the show, Mr. Shibob, gave a very convincing and humorous demonstration on how not to exercise on the parallel bars. During the girls' dance version of "Sweet Georgia Brown," the Misses McCormick and Phyllis Wheeler got their spots mixed up, and tried to kick a field goal into the crowd.

One of the most demanding parts of the program was holding up the trellis behind the queens. It had the very bad manners to seem to desire a closer proximity to the floor and it tried to alleviate this desire by falling. Miss Metcalf and President Fish took turns frustrating this desire.

Although I didn't notice the reason, the members of the intriguing guess court were seen very unique head figures that must have either been meant to keep rain away, or keep the hot lights off of their hands. If they were meant to make the girls look like angels, they certainly didn't need them.

All in all, the program was very excellently done and the capacity crowd enjoyed the sometimes humorous, but also impressive ceremonies of the May Festival.

Doesn't our President Esch look young and gay as he escorts our Pretty Miss Carolyn White after she has been crowned the new Queen?

We hope none of you missed this gorgeous "girlie" show at the recent Junior Carnival. Here we see two real beauties trying to "flirt" in the public.

---

One of the most handsome couples at the May Festival was Misses Helene Clappett and Mr. Stephen McCall, who served as flower-girl and crown-bearer. Here we see them escorting out the 1955-59 Queen, Sherry Easter.

Sherry Easter lights up with one of her big smiles while talking to new Queen, Carolyn White. Also pictured are Peggy Gibson, Pat Young, Nancy Walte, and Carolyn Cates.
Central Does It Again: Diamond Men Win Hoosier Conference

**Formula for Success**

Lives of great men all remind us of the importance of hard work and perseverance. Those who achieve greatness have a certain formula for success that can be applied to any aspect of life.

1. **Leverage of Hard Work**: Great achievements are often the result of years of consistent effort and dedication. 
2. **Persistence**: The ability to keep working towards a goal even when faced with challenges or setbacks is crucial.
3. **Consistency**: Regular application of effort, whether it's studying, practicing, or any other activity, leads to improvement.
4. **Reflection**: Regularly pausing to assess progress and adjust strategies is important for growth.
5. **Mentorship**: Having a mentor or role model who guides and supports you can provide valuable insights and encouragement.

**WONDER DIET**

12 Students From Science and Math Departments To Assume Jobs

The science and mathematics departments will need more than a dozen majors to fill the several vacancies that follow graduation.

From the biology department, Thomas B. Halls will enter the U. S. Army Medical School, while Delores Peterson, John Young, and Linda Giesler will enter the teaching profession.

**Track Season - One Of Best Yet Several New Records Set**

Indiana Central recently ended a very successful track season. In fact, the team won both the first and second place in the past several years.

The Greyhounds who captured third place in the Hoosier Conference race added to their victories the Eastern Relays. The cross-country team also took fifth place in the Eastern State Meet and third place in the Eastern Relays. The University of Illinois, which unusually dominates all of Indiana.

During the season several records were broken. The most interesting context was in the shot put dropped from 10 feet, 6 inches to 9 feet, 6 inches. The following are the results of the various records.

**Individual Tennis Records Good**

The Indiana Central tennis team went through the entire season without a loss. This was a far cry from the fall of 1957 when the team split, a nerve-wracking start. After this, the team has been steadily improving and now stands at a perfect 0-0 record.

The final score of the tennis competition was 3-0 in favor of the team. The players played hard and showed great spirit throughout the season.
