Founded in 1947, St. Andrew’s Episcopal School is an independent, college preparatory school for students in pre-K3 through the twelfth grade. St. Andrew’s is known for academic excellence, providing the academic emphasis and cultivating the critical thinking skills needed to excel. Valuing diversity, St. Andrew’s welcomes students of any race, color, religion, nationality, or ethnic origin. Typically, 100 percent of St. Andrew’s graduates attend four-year colleges and universities.

MISSION STATEMENT

HONOR CODE
“On my honor as a St. Andrew’s student, I pledge that I will neither lie, nor cheat, not steal.”
The St. Andrew’s community is grounded in trust and operates under this revered tradition. The St. Andrew’s Honor Code ensures that students accept responsibility for their conduct and actions, and grants freedom based on trust. The student-run Honor Council investigates and adjudicates any violations of the honor code. It is composed of elected student representatives from each class, chaired by a Senior Honor Prefect, and monitored by a faculty advisor.

SERVICE LEARNING
In its commitment to molding students of integrity and character, St. Andrew’s requires students to contribute a minimum of 100 hours of volunteer service over the course of their high school careers.

ENROLLMENT
1150 students in pre-K3 through grade 12; 347 students in the Upper School; 77 students in the Class of 2017.

STUDENT LIFE
St. Andrew’s is a close-knit community of students, parents, and teachers of many faiths, cultures, races, and economic backgrounds. On average, 78 percent of St. Andrew’s students in grades 7 through 12 participate in at least one of the school’s 25 sports programs. Other extracurricular activities include student government, student publications, band, choir, theatre, speech and debate, mock trial, and other programs of special interest. Through the St. Andrew’s Peer Leadership program, 16 seniors are selected through a highly competitive process to serve as mentors to freshmen throughout the school year.

FACULTY
The St. Andrew’s Upper School faculty/staff is comprised of 42 individuals; 30 hold advanced degrees, including 7 with doctoral degrees.

ACADEMIC LIFE
Most students take six courses for credit per year; all Honors and AP courses require permission from teachers. One AP course is allowed for students in grade 10 and entrance is highly selective; 20% or fewer will take an AP course. Students in grade 10 also are limited to a maximum of three Honors courses unless granted permission from the Upper School Head. Students in grades 11 and 12 who wish to take more than three AP courses in either year must receive permission from the Upper School Head. In 2016-17, the school will offer 10 courses through the Malone Schools Online Network. These courses are designated by MSON on the transcript.
