The Restored Church of God

Spring Holy Days
2011 Coloring Book
When the snow melts and the spring rains arrive, God’s calendar year begins.
In Bible times, the Israelites chose a lamb in the spring to sacrifice for the Passover.
In Egypt, the Israelites spread the lamb’s blood around their doors so the angel of death would pass over their homes.
When keeping the Passover today, we remember Jesus Christ’s sacrifice. He gave His life for our sins.
During the Days of Unleavened Bread, we bake and eat unleavened bread to show God we are trying to live a humble (flat) life.
Instructions for Parents:

Have your child color the hands on the next four pages.

Gently pull the four-page spread out of the center of the coloring book. You should end up with one piece of paper.

Using scissors, cut out the hands along the dotted lines on the next page.

The hands should open like a book to reveal the Ten Commandments on the inside.

If your child memorizes these laws, he will remember them every time he looks at his own hands.

Q. What puffs up bread and makes it soft?

A. The yeast. It is made of tiny living cells that create bubbles of air in the dough, making it soft, puffy and chewy.

Q. What puffs up cake to make it fluffy?

A. Baking powder or baking soda. These create air bubbles in the cake.

Q. What “puffs” us up?

A. Pride. We have this when we think we are better than other people.

Q. How many days do we need to eat unleavened bread?

A. Seven. The Days of Unleavened Bread last for one week. This represents trying to be humble our whole lives.
When we are humble, we are teachable. This allows God to instruct us how to live.
If we learn to live God’s Way and obey Him now, we will be part of His kingdom.
God teaches us how to live when we read the Bible and go to services on the Sabbath and Holy Days.
God’s Plan includes all the people of the world. When they learn to keep God’s laws, all problems between nations will be solved. God’s Plan is wonderful and full of blessings!
