MARINE FISHING

This online map shows the locations of points of interest related to saltwater fishing, including sporting licensing agents, bait and tackle shops, enhanced opportunity shore fishing sites, car top boat launches with Long Island Sound access, trailered boat launches with Long Island Sound access and party/charter boat locations. For information about these points of interest, go to www.ct.gov/deep/saltwaterfishingresourcemap.

ANGLERS PLEASE NOTE

New York, Rhode Island, Maine and Massachusetts also have marine license requirements. Though Connecticut has reciprocity with these neighboring states, residents of Connecticut are required to have a CT Resident Marine Waters Sport Fishing License to fish in the Marine District.

www.ct.gov/deep/fishing
DEMACRATION BETWEEN MARINE AND INLAND DISTRICT

A marine sport fishing license is required downstream of locations listed below or in areas designated as being entirely in the Marine District. Unless indicated below, the demarcation line is the first bridge upstream from the river mouth or cove.

- **Beebe Cove**: Groton. Entirely in Marine District.
- **Blackhall River**: Old Lyme. Rte. 156.
- **Branford River**: Branford. Montowese Street.
- **Bride Brook**: East Lyme. First railroad crossing.
- **Byram River**: Greenwich. First railroad crossing.
- **Clinton River**: (Indian River) Clinton. Rte. 1.
- **Connecticut River**: I-95 bridge. Old Lyme-Old Saybrook.
- **Duck River**: Old Lyme. Entirely in Marine District.
- **East Creek**: Guilford. The tide gates at Guilford dock.
- **Housatonic River**: Milford-Stratford. Merritt Parkway.
- **Indian Harbor**: Greenwich. First railroad crossing.
- **Indian River**: Milford Rte. 122.
- **Jordan Cove**: Waterford. First railroad crossing.
- **Lieutenant River**: Old Lyme. Rte. 156.
- **Menunketesuck River**: Westbrook. Rte. 1.
- **Mianus River**: Greenwich. Dam north of Boston Post Road.
- **Mill River**: Fairfield. Dam at Harbor Road.
- **Mill River**: New Haven. Tide gates at State Street.
- **Mumford Cove**: Groton. Entirely in Marine District.
- **Mystic River**: Stonington-Groton. 500 ft. north of Rte. 1.
- **Norwalk River**: Norwalk. Wall Street.
- **Oyster River**: Milford. Rte. 122.
- **Palmer’s Cove**: Groton. Entirely in Marine District.
- **Patchogue River**: Westbrook. Rte. 1.
- **Pawcatuck River**: Stonington. 500 ft. north of Rte. 1.
- **Pequonnock River**: Bridgeport. North Avenue (Rte. 1).
- **Pequonnock River**: Groton. 500 ft. north of Rte. 1.
- **Pequot-Sepos Cove**: Stonington. 500 ft. north of Rte. 1.
- **Quiaumug Cove**: Stonington. 500 ft. north of Rte. 1.
- **Quinnipiac River**: New Haven. Rte. 17.
- **Sasco Brook**: Westport. Buckley’s Mill Dam, above Rte. 1.
- **Saugatuck River**: Westport. Kings Highway.
- **Shaw’s Cove**: New London. Entirely in Marine District.
- **Stonington Harbor, Lambert Cove and Quanauduck Cove**: Stonington. 500 ft. north of Rte. 1.
- **Thames River**: Groton-New London. 500 ft. North of Rte. 1, I-95 bridge.
- **Tokeeneke Brook**: Darien. Old Farm Road.
- **Wequeticoquock River**: Stonington. 500 ft. north of Rte. 1.
- **West River**: Guilford. Rte. 146.
- **West River**: West Haven. Tide gates at Orange Ave. (Rte. 1).

HOW TO CATCH FISH

Contact your local bait and tackle shop for updated fishing information. See page 18 for a list of bait and tackle shops or go to [www.ct.gov/deep/baitandtackle](http://www.ct.gov/deep/baitandtackle).

### STRIPED BASS

| Habitat | Large rivers in spring and fall  
Estuaries and bays in summer |
| Fishing Method | Drifting with live bait  
Jigging and trolling  
Bottom fishing with bait  
Casting to fish |
| Baits & Lures | Live bait, menhaden, eels, shad and sand worms  
All types of swimming lures, plastic and rubber baits |

### BLACK SEA BASS

| Habitat | Estuaries and Sound  
Rock piles/reefs  
Oyster and mussel beds  
Pilings and jetties |
| Fishing Method | Anchored over structure, reefs  
Bottom fishing  
Fishing with bait |
| Baits & Lures | Sand worms, conch, shrimp, mummichogs, silversides, mussels/clams and baited jigs or jigs with plastic/rubber bodies or trailer |

### FLUKE

| Habitat | Estuaries and bays  
Lower sections of rivers  
Hard bottom and channels preferred |
| Fishing Method | Drifting with bait  
Jigging up and down  
Casting and slowly moving jig with bait |
| Baits & Lures | Live/dead bait (bunker, mummichogs, shiners & silversides), cut squid strips, baited jigs and plastic baits |

### SCUP

| Habitat | Estuaries and bays  
Rock piles/reefs  
Oyster and mussel beds  
Pilings and jetties |
| Fishing Method | Anchored over structure/reefs  
Bottom fishing  
Live or dead bait |
| Baits & Lures | Squid or conch strips, sand worms, shrimp, and mussels/clams |

Looking for a place to fish, launch a boat, a bait and tackle shop or a party/charter vessel to go fishing on? Check out the Saltwater Fishing Resource Map at [www.ct.gov/deep/saltwaterfishingresourcemap](http://www.ct.gov/deep/saltwaterfishingresourcemap)
During regular hours, a vehicle parking fee is required to enter most of the state parks. Parking fees are collected from 8 a.m.–6:30 p.m. on weekends and holidays, and 8 a.m.–6:30 p.m. during the week except at state parks marked with an asterisk. Late day fees (4 p.m.–6:30 p.m. any day) for Harkness, Hammonasset, Rocky Neck and Sherwood Island are $6 for residents and $7 for non-residents. For more information please see the coastal state parks website: www.ct.gov/deep/stateparks.

Camping

NIGHT FISHING RULES
Anglers entering a park by vehicle must obtain a vehicle permit in order to park and fish. No vehicle will be admitted into the day-use area of the park from 6:30 a.m.–8 a.m. Individuals entering the park without a vehicle do not require a permit, but must possess fishing tackle (rod & reel, bait, light, etc.) and engage in fishing.

BLUFF POINT STATE PARK & COASTAL RESERVE, GROTON
Fishing is allowed 24 hrs.
• Fish to be caught: Winter flounder and snapper bluefish can be caught at Poquonnock Cove. Bluefish, striped bass, summer flounder, little tunny and tautog can be caught from the beach.
• Directions: I-95, Exit 88 to Route 117 south, right onto Route 1, left onto Depot Road. Follow to end.
• Parking Fees: None.

FORT TRUMBULL STATE PARK, NEW LONDON
Fishing access (handicapped accessible), 24 hour pedestrian access from Riverfront Walk to Fishing Pier on the Thames River.
• Fish to be caught: Bluefish, striped bass, summer flounder, hickory shad, scup, tautog, winter flounder, weakfish and black sea bass.
• Directions: I-95N, Exit 83 (Huntington Street). I-95S, Exit 84.
• Parking Fees: None. Telephone: 860-444-7591.

FERRY LANDING STATE PARK, OLD LYME
Fishing access (handicapped accessible) consists of a fenced bulkhead area and a fishing/crabbing boardwalk. Parking is available inside the park after hours for fishing/crabbing only.
• Fish to be caught: Bluefish, striped bass, summer flounder, catfish, American eel, hickory shad, and white perch.
• Directions: I-95, Exit 70 to Route 156. After ¼ mile make a right onto Ferry Road. Follow to end. Telephone: 860-434-6043.
• Parking Fees: None.

HAMMONSET BEACH STATE PARK, MADISON
Fishing is allowed only at the Meigs Point Jetty (south end) and at West Beach Jetty during the peak season from 8 a.m. to sunset. Night fishing is permitted along the entire beach (2 miles). The entire beach (2 miles) is not open to night fishing during the off-season (October–May).
• Fish to be caught: Tautog, winter flounder, bluefish, summer flounder, scup, weakfish, striped bass and black sea bass.
• Directions: I-95, Exit 62. Telephone: 203-245-2785.
• Parking Fees*
  — Weekdays: resident—$9.00, non-resident—$15.00
  — Weekend/Holiday: resident—$13.00, non-resident—$22.00

HARKNESS MEMORIAL STATE PARK, WATERFORD
Fishing is allowed along the beach. No swimming allowed.
• Fish to be caught: Tautog, bluefish, striped bass and scup (porgy) can be caught off the rocky point and summer flounder off the beach.
• Directions: I-95, Exit 75. Take Route 1 North to Avery Lane on right. Follow Avery Lane to Route 213. Follow Route 213 to the park. Telephone: 860-443-3725.
• Parking Fees*
  — Weekdays: resident—$6.00, non-resident—$10.00
  — Weekend/Holiday: resident—$9.00, non-resident—$15.00
  — After 4pm any day: resident—$6.00, non-resident—$7.00

ROCKY NECK STATE PARK, NIANTEC
Fishing is allowed on the jetty year round. The entire beach and jetty is open to fishing during the off-season. Jetty located on right side of beach. Please note: When no night rangers are on staff and on major holiday weekends, no vehicles are permitted in park for night fishing.
• Fish to be caught: Tautog, winter flounder, bluefish, striped bass, scup (porgy) and black sea bass can be caught off the jetty. Crabbing is allowed at designated areas.
• Directions: I-95, Exit 72 to Route 156. Telephone: 860-739-5471.
• Parking Fees*
  — Weekdays: resident—$9.00, non-resident—$15.00
  — Weekend/Holiday: resident—$13.00, non-resident—$22.00

SHERWOOD ISLAND STATE PARK, WESTPORT
Fishing is allowed at Sherwood Point, East and West Jetty during the open season (April 15–Sept. 30). The entire beach is open to fishing during the off-season from 8 a.m. to sunset only.
• Fish to be caught: Tautog, bluefish, scup, summer flounder, winter flounder and striped bass can be caught off Sherwood Point.
• Parking Fees*
  — Weekdays: resident—$9.00, non-resident—$15.00
  — Weekend/Holiday: resident—$13.00, non-resident—$22.00

SILVER SANDS STATE PARK
AFTER HOURS FISHING PARKING/CHARLES ISLAND, MILFORD
Fishing is open throughout the area including the sand spit which extends about a mile from the mainland to Charles Island. Caution is advised when fishing or walking the Tombolo (sand bar). Swift tidal currents during a flood tide can make passage dangerous and persons unfamiliar with the area may be stranded on Charles Island until low tide.
• Fish to be caught: Bluefish, striped bass, summer flounder, hickory shad, and weakfish.
• Directions: I-95, Exit 35. Follow Schoolhouse Road south to Route 1 (Bridgeport Avenue). Turn left onto Route 1 then right at first light (Silver Sands Park Way). Follow Park Way and turn left at next light (Meadowside Road). Follow Meadowside 0.7 mile and turn right at Robert Treat Parkway which then becomes Surf Avenue. Follow Surf Avenue to end at East Broadway and turn right. The After Hours Fishing Parking Lot is at the end of East Broadway.
  • Hiking the Tombola (Sand Bar) while it is covered in water is prohibited.
  • Parking Fees: None.

SHORELINE FISHING & PROPERTY RIGHTS

A Message from the Department of Energy & Environmental Protection’s Office of Long Island Sound Programs
Connecticut’s intertidal shore belongs to the people. Under the common law public trust doctrine, the public may freely use land and waters waterward of the mean high water line to fish. The public trust area includes beaches, rocky shores and open waters along tidal and navigable waters. Fishing in the public trust area is not trespassing; the DEEP encourages anglers to enjoy their rights to use the public trust lands for fishing. However, anglers should also respect the rights of adjacent landowners by not crossing private property without permission and by leaving the shoreline clean and litter free.

Call the Office of Long Island Sound Programs for more information at 860-424-3034.
ENHANCED OPPORTUNITY SHORE FISHING PROGRAM

This Marine Fisheries program is part of a broader Department effort to improve the quality of access and fishing to our Public Trust marine fisheries resources in CT, especially in urban areas. This unique program relies on reduced size limit regulations to allow anglers young and old alike the opportunity to experience the joy and relaxation of outdoor recreation and the satisfaction of catching their own dinner. At the same time, the design of this program assures that marine fish conservation objectives continue to be met.

Appendix A  Public Shore Fishing Access Sites where Summer Flounder/Fluke (16 inch min. length) and Scup (9 inch min. length) may be taken at a smaller length limit. Please see page 58 for a complete list of marine recreational fishing regulations including creel limit and open seasons.

BONUS STRIPER FISHING PROGRAM

From May 1st to December 31st 2016 inclusive, striped bass at least 22 inches but less than 28 inches total length may be possessed provided the angler:
1. Immediately upon retention of such fish, permanently secures a tag (see image below) through the mouth of the striped bass. Bonus striped bass tags can be obtained at CT DEEP offices or through CT DEEP Marine Fisheries Angler Survey staff and other designated locations. See www.ct.gov/deep/saltwaterfishing for updated information.
2. The bonus striped bass tag must remain on the fish until such fish is taken home or to another location where the fish is to be consumed.
3. Uses the Bonus Striped Bass Reporting Card that was provided with your fish tag to record the date of capture, length of the fish and your Conservation ID.
4. Returns the reporting card within 48 hours of harvesting the bonus striped bass.
5. Harvest only ONE bonus striped bass per day regardless of the number of tags the angler possess.
6. Valid only in Connecticut State Waters.

FOR 2016… 2 Tags per Angler available at DEEP Offices
CONNECTICUT MARINE ANGLER SURVEY

The Department of Energy and Environmental Protection (DEEP), Marine Fisheries Division is conducting a survey of marine recreational anglers in order to collect fishing trip information and length measurements on kept and released fish. Anglers will be recruited by DEEP marine fisheries staff to volunteer their fishing trip information and take length measurements on fish caught for that particular fishing day. Post marked daily catch cards will be distributed to anglers fishing from both shore, including Enhanced Opportunity Shore Angler Program Designated Fishing Sites (EOS) and boat launch sites along the Connecticut coastline. EOS locations are areas that have less restrictive fishing regulations for summer flounder and scup enabling anglers a better chance of bringing a fish home for dinner. This fishing information will provide us with important individual angler trip and species catch data needed to effectively monitor and assess the marine recreational fishery and ultimately provide the most fishing opportunity possible. Participating anglers will be provided a waterproof daily catch card, pencil, and measuring tape for recording this important fisheries data. Anglers will be encouraged to drop off post marked catch cards in the mail, or at designated drop-off boxes (see www.ct.gov/deep/saltwaterfishing) and CTDEEP Marine Fisheries Survey staff upon trip completion.

MARINE VOLUNTEER ANGLER SURVEY PROGRAM

The Marine Fisheries Division is seeking marine recreational anglers who will volunteer to participate in the Connecticut Volunteer Angler Survey (VAS) Program. The VAS Program is designed to collect fishing trip and catch information from marine recreational (hook and line) anglers who volunteer to record their angling activities via a logbook. VAS anglers contribute valuable fisheries-specific information concerning striped bass, fluke, bluefish, scup, tautog and other important finfish species used in monitoring and assessing fish populations inhabiting marine waters. Participants will have the choice of either filling out the traditional paper logbooks and mailing them back in or by entering their data electronically by a computer web based application. In either case, paper logbooks will still be sent out to each angler.

Both the VAS paper logbook and the computer electronic version are easy to enter. Each participating angler is assigned a personal code number for confidentiality. The paper logbook instructions are located on the inside cover and the electronic version will have a specified menu with assisted help information. Upon completion of the paper logbook, tape the pre-postage paid logbook shut and drop it off in the mail. All paper logbooks are returned to each angler for their own personal records upon data entry. Anglers that participate are also provided with updated program results and public hearing notices concerning recreational fishery management regulations.

Participating is very important for Marine Fisheries Management.

MARINE DEFINITIONS

CLOSED SEASON (SALTWATER) The period of time during which no person shall take, possess or land a particular species taken by sportfishing methods, regardless of where taken. Any species taken to the contrary must be returned immediately, without avoidable injury, to the waters from which it was taken.

- Anglers cannot be in possession of fish legally taken in another state when on the waters or shores of Connecticut during a closed season for that species in Connecticut.

DAILY CREEL LIMIT The number of fish of a species or species group that can be retained by an individual angler during the period from 12:01 a.m. to midnight. Any species taken to the contrary must be returned immediately, without avoidable injury, to the waters from which it was taken.

“CULLING” OR “HIGH-GRADING” means discarding or returning a previously retained fish to the water in order to retain a more desirable fish. Any fish placed on a stringer, in a container, cooler, live well or similar device, or otherwise not immediately released to the water shall count against the daily creel limit. “Culling” or “High-Grading” is prohibited in the Marine District!
# Marine Recreational Fishing Regulations

**SPECIES, MINIMUM SIZES, DAILY LIMITS, & FISHING SEASONS**

**Effective 2016:** Species regulations are subject to change. For legal purposes, the Regulations of Connecticut State Agencies must be consulted. Visit [www.ct.gov/deep/laws-regs](http://www.ct.gov/deep/laws-regs) or contact Marine Fisheries (860-434-6043) for current regulations.

**Enhanced Opportunity Shore Fishing Program:** This Marine Fisheries program is part of a broader Department effort to improve the quality of access and fishing to our Public Trust marine fisheries resources in CT, especially in urban areas. This unique program relies on reduced size limit regulations to allow angler’s young and old alike the opportunity to experience the joy and relaxation of outdoor recreation and the satisfaction of catching their own dinner. At the same time, the design of this program assures that marine fish conservation objectives continue to be met.

Red type signifies new regulations for 2016.

**For personal use/not for sale:** Recreational License required in marine district.  
Net and traps which may be used to catch bait species only (see species list below)  
- Cast Nets.  
- Minnow Traps: no larger than 20" long by 15" in diameter.  
- Umbrella Traps: no more than 4 ft. in length by 4 ft. in width.  
- Scoop or Scap Nets: no larger than 36" in diameter.  
- Seines: no longer than 30 feet in length.  
- Up to two eel pots.  
- Hook & Line.  
- By hand.

**Species that may be taken using the gears listed above**  
- Menhaden (see possession limit on page 58)  
- Striped Killfish and Banded Killfish  
- Atlantic Silverside  
- Tidewater Silverside  
- Mummichogs  
- Sea Herring (Atlantic Herring)  
- Sand Lances (Sand Eels)  
- American Eel (see possession limit on page 58)  
- Sea Lamprey  
- Bay Anchovy  
- Mullet Species  
- Sheepshead Minnow  
- Shrimp Species  
- Green, Fiddler, Asian Shore and Hermit Crabs

**SAUGATUCK RIVER, WESTPORT**
- **Parking:** 25 cars with trailers.
- **Toilets:** Chemical, seasonal.
- **Conditions:** Shallow launching conditions at low tide.
- **Use:** Heavy use on weekends.
- **Access:** I-95, Exit 71, Rte 156 east on Oakridge Drive, first right to launch area.

---

**CONNECTICUT STATE WATERS BOUNDARY**

Anglers are reminded that several states have areas of jurisdiction in Long Island Sound and fishing regulations can vary between these states. When on the waters or shores of each state, anglers must comply with all regulations of that state, regardless of the port they intend to return to. To be legal when crossing state boundary lines, anglers must abide by the most restrictive of the states’ regulations for each species. Latitude/Longitude coordinates depicting the Connecticut boundary line in Long Island Sound and Fishers Island Sound are available in the Marine Fisheries Information Circular which can be found on the DEEP web site: www.ct.gov/deep/fishing. The Information Circular can also be obtained by calling 860-434-6043 or e-mail: deep.marine.fisheries@ct.gov.
