3. All Glory to the King of Ages (Ever Faithful God)

All glory to the King of ages

All glory to the King of kings

His name is love, His name is Jesus

Enthroned above in majesty

Into this world You came to save us

You bore the cross, You took my sin

You shone Your light into my darkness

Unveiled the truth, this mystery

You are my God, You are my Saviour

You are the Rock on which I stand

Ever faithful God, I cling to You

In every way You've shown that You are good

There's no other love compares with You

Forever strong, forever true

Ever faithful God, I cling to You.

You are the end of all my searching

You pour Your grace on all my need

Unfailing love, unending mercy

Are found in You, the Prince of Peace

8. Amazing Grace

Amazing grace! How sweet the sound,
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieve;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils, and snares,
I have already come,
'Tis grace hath brought me safe thus far
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun
We've no less days to sing God's praise
Than when we'd first begun.

10. Awake, awake O Zion (Our God reigns)

*Music in key of C*

Awake, awake, O Zion, and clothe yourself with strength.

Shake off your dust and fix your eyes on Him;

for you have been redeemed by the precious blood of Jesus,

And now you sit enthroned with Him.

Our God reigns, He is King of all the earth

Our God reigns, and He’s seated on the throne

Lift your voice ……. and sing a song of praise

Our God reigns, The awesome Lord most high.

How beautiful the feet are of those who bring good news.

For they proclaim the peace that comes from God

Rise up you holy nation, proclaim the great salvation,

And say to Zion “Your God reigns”!

Emman – u - el, Emman – u - el, Our God is with us now.

The watchmen lift their voices, and raise a shout of joy

For He will come a - gain

Then all eyes will see the Salvation of our God

19. Celebrate in the Lord

Celebrate in the Lord, He is the reason we rejoice

For He has cast our sins away,

Forgotten now forever and always, always, always (repeat)

This is our Jubilee, No debt no bondage we are free

We’re free to give him everything,

For we have nothing now it is all His, all His, all His (repeat)

This is where the party is. This is where the Joy of heaven abounds

In His presence we are free to praise, to shout aloud

This is where the party is. Singing with the angels hear the sound

We are dancing on holy ground, holy ground, holy ground

For freedom You have set us free, No longer bound to slavery

You’ve broken every chain that binds,

You’ve conquered sin forever and all time, all time, all time (repeat)

Even though I walk (You never let go)

Even though I walk through the valley of the shadow of death,
Your perfect love is casting out fear.
And even when I'm caught in the middle of the storms of this life,
I won't turn back, I know You are near.

PreChorus
And I will fear no evil for my God is with me.
And if my God is with me,
Whom then shall I fear? Whom then shall I fear?

Chorus
Oh no, You never let go, through the calm and through the storm
Oh no, You never let go, in every high and every low
Oh no, You never let go Lord, You never let go of me.

Verse 2:
And I can see a light that is coming for the heart that holds on
A glorious light beyond all compare.
And there will be an end to these troubles, But until that day comes,
We'll live to know You here on the earth.

Far above all other loves

Far above all other loves,

Far beyond all other joys,

Heaven's blessings poured on me,

By the Holy Spirit's power.

Love's compelling power draws my heart into Yours;

Jesus, how I love You, You're my Friend and my Lord.

You have died and risen so what else can I say?

How I love you, Lord, love You, Lord.

All ambition now has gone,

Pleasing You my only goal;

Motivated by Your grace,

Living for eternity.

Looking with the eye of faith

For the day of Your return;

In that day I want to stand

Unashamed before Your throne.

35. **Great is the Lord**

Great is the Lord and most worthy of praise,

The city of our God, the holy place,

The joy of the whole earth.

Great is the Lord in whom we have the victory.

He aids us against the enemy,

we bow down on our knees.

And, Lord, we want to lift your name on high,

And, Lord, we want to thank you

For the works you’ve done in our lives;

And Lord, we trust in your unfailing love,

For you alone are God eternal,

Throughout earth and heaven above.

He has clothed us in his righteousness,
Covered us with his great love.
He has showered us with mercy.
We delight to know the glorious favour,
Wondrous favour of God.

We rejoice in the grace of God,
Poured upon our lives.
Loving kindness has come to us because of Jesus Christ.
We rejoice in the grace of God,
Our hearts overflow.
What a joy to know the grace of God

He’s brought us into His family,
Made us heirs with His own Son.
All good things He freely gives to us.
We cannot conceive what God’s preparing,
God’s preparing for us.
He is exalted, the king is exalted on high
I will praise Him
He is exalted, for ever exalted and I will praise his name
He is the Lord, for ever His truth shall reign
Heaven and earth rejoice in His holy name
He is exalted, the king is exalted on high.

Here I am, and I have come

Here I am, and I have come to thank You, Lord, for all You’ve done;

Thank You, Lord.

You paid the price at Calvary, You shed Your blood, You set me free;

Thank You, Lord.

No greater love was ever shown, No better life ever was laid down.

And I will always love Your name;

And I will always sing Your praise. (Repeat)

You took my sin, You took my shame, You drank my cup, You bore my pain;

Thank You, Lord.

You broke the curse, broke the chains, in victory from death You rose again

Thank You, Lord.

And not by works, but by grace, You clothe me now in Your righteousness

You bid me come, You make me whole,

You give me peace, You restore my soul; Thank You, Lord.

You fill my cup, and when I’m full

You give me more ‘till I overflow; Thank You Lord.

You’re making me to be like You, To do the works of the Father, too.

44. Here I am, humbled by Your majesty (Majesty)

**Chorus**

Here I am, humbled by Your majesty  
Covered by Your grace so free

Here I am, knowing I’m a sinful man  
Covered by the blood of the Lamb

Now I’ve found the greatest love of all is mine
Since You laid down Your life
The greatest sacrifice

Your grace has found me just as I am
Empty handed but alive in Your hands
Forever I am changed by Your love
In the presence of Your majesty

Forgiven so that I can forgive
Here I stand, knowing that I’m Your desire
Sanctified by glory and fire.

Here I am once again  (Pour out my heart)

Here I am once again

I pour out my heart for I know that you hear

Every cry you are listening,

No matter what state my heart is in.

You are faithful to answer

With words that are true and a hope that is real.

As I feel your touch

You bring a freedom to all that’s within

In the safety of this place.

I’m longing to pour out my heart, say that I love you

Pour out my heart, say that I need you

Pour out my heart, say that I’m thankful

Pour out my heart, say that you’re wonderful

I have heard so many songs

Listened to a thousand tongues

But there is one that sounds above them all

The father’s song, the Fathers love

You sung it over me and for eternity it’s written on my heart

Heaven’s perfect melody

The creator’s symphony

You are singing over me

The father’s song

Heaven’s perfect mystery

The king of Love has sent for me

And now you’re singing over me

The father’s song.
I have seen a mystery (It is the Church)

D        A
I have seen a mystery,        Bm        G        A

The hopes of prayer and prophecy,

D        A/C#        Bm        G        A

And rising from all peoples see, she comes.

D        A
Rescued, ransomed, lifted up,        Bm        G        A

Crowned with mercy, clothed in hope,

D        A/C#        Bm        A

The object of all heaven's love, she comes.

D        A        Bm
It is the church, The hope of all the world,        A        Bm

And here I fix my heart and hand,        G        Asus4        A
I cannot turn away!

D        A        Bm
It is the church! The passion of God's Son,        A        Bm

The goal of history come.

G        Asus4        A
You'll see we've nearly reached the day.

Em7        G        A
And she will be all glorious;

Em7        G        A [D]
Fitting for Him whose bride she is.

G        A        GA
In that day, in that day,

GA        G/B        A/C#
In that day, in that day.

It is the church...

I stand amazed when I realize
Your love for me is beyond all measure
Lord I can’t deny
Your love for me is great

It’s as high, high as the heavens above
Such is the depth of Your love
Towards those who fear You.
O Lord, far as the east is from west,
You have removed my transgressions
You make my life brand new
Father I love You

Your love is higher, has as the heavens
Your love is deeper, deeper than the deepest ocean
Your love is stronger, stronger than the powers of darkness
Your love is sweeter, sweeter than wine

I will offer up my life in spirit and truth
Pouring out the oil of love as my worship to you
In surrender I must give my every part
Lord receive the sacrifice of a broken heart

Jesus what can I give, What can I bring
To so faithful a friend, to so loving a king?
Saviour what can be said, what can be sung
As a praise of Your name for the things You have done?
Oh my words can not tell, not even in part
Of the debt of love that is owed by this thankful heart

You deserve my every breath for You've paid the great cost
Giving up your life to death, even death on a cross
You took all my shame away, there defeated my sin
Open up the gates of heaven and have beckoned me in

I'm gonna trust in God

I'm gonna trust in God. I'm gonna trust in Jesus

Without shame and without fear

I'm gonna fix my eyes. On the hope of glory

For His day is drawing near

How great is the love of God. How steady is his hand

To guide me through this world

And though I am weak in Him I stand

And you will hear me say to-day. In faith. I'm gonna trust in God

Now when the cares of life. Seem overwhelming

And my heart Is sinking down

I'm gonna lift my hands. To the one who'll help me

Sin’s curse has lost its grip on me,
For I am His and He is mine—
Bought with the precious blood of Christ.

No guilt in life, no fear in death,
This is the power of Christ in me;
From life’s first cry to final breath,
Jesus commands my destiny.

Here in the power of Christ I’ll stand!

Isn't He beautiful

Isn't He, beautiful
Beautiful, isn't He
Prince of Peace, Son of God

Isn't He

Isn't He, Wonderful
Wonderful, Isn't He
Counselor, Almighty God
Isn't He, isn't He, isn't He

Yes You are . . .
It's rising up

It's rising up from coast to coast,
From north to south, and east to west;
The cry of hearts that love your name,
Which with one voice we will proclaim.

The former things have taken place,
Can this be the new day of praise?
A heav'nly song that comes to birth,
And reaches out to all the earth.

Oh, let the cry to nations ring,
That all may come and all may sing:
Holy is the Lord, Holy is the Lord. (2nd time – “Jesus is alive”)

And we have heard the Lion's roar,
That speaks of heaven's love and power.
Is this the time, is this the call
That ushers in Your kingdom rule?

Jesus Christ, I think upon your sacrifice; You became nothing, poured out to death. Many times I’ve wondered at Your gift of life, And I’m in that place once again, I’m in that place once again.

And once again I look upon the cross where You died. I’m humbled by Your mercy and I’m broken inside. Once again I thank You, Once again I pour out my life.

Now You are, exalted to the highest place, King of the heavens, where one day I’ll bow. But for now, I marvel at this saving grace, And I’m full of praise once again, I’m full of praise once again.

Let's bow the knee in humble adoration
For at his name, every knee shall bow
Let every tongue confess,
He is Christ God's only son,
Sovereign Lord, we give you glory now

For all honour and blessing and power
Belongs to you, belongs to you
All honour and blessing and power
belongs to you, belongs to you
Lord Jesus Christ, Son of the living God.

Let God arise

Let God arise, Let God arise

Our God reigns now and forever

He reigns now and forever

Hear the Holy roar of God resound

Watch the waters part before us now

Come and see what he has done for us

Tell the world of His great love

Our God is a God who saves

Our God is a God who saves

His enemies will run for sure

The Church will stand she will endure

He holds the keys of life, our Lord

Death has no sting, no final word

Our God is a God who saves

Let there be joy, let there be peace

Let there be power, let there be praise

Let there be joy, joy in the Holy Ghost

It was for freedom that we were set free,

Let every mountain be cast to the sea

Let there be joy, joy in the Holy Ghost

We will declare it to the heavens,

The righteousness of God in which we stand

We will proclaim it to the nations

Every eye shall see, every ear shall hear,

Every heart will understand

89. Light of the world

Light of the world, You stepped down into darkness
Opened my eyes, let me see
Beauty that made this heart adore you
Hope of a life spent with You

So, here I am to worship
Here I am to bow down
Here I am to say that You're my God
And You're altogether lovely
Altogether worthy
Altogether wonderful to me

King of all days, oh so highly exalted
Glorious in heaven above
Humbly You came to the Earth you created
All for love's sake become poor

And I'll never know how much it cost
To see my sin upon that cross

96. Lord let your glory fall

Lord let your glory fall, as on that ancient day.

Songs of enduring love, and then your glory came.

And as a sign to you, that we would love the same,

Our hearts will sing that song, God, let your glory come.

You are good, You are good, And your love endures.

You are good, You are good, And your love endures.

You are good, You are good, And your love endures today.

Voices in unison, Giving you thanks and praise,

Joined by the instruments, And then your glory came.

Your presence like a cloud, Upon that ancient day,

The priests were overwhelmed, Because your glory came.

A sacrifice was made, And then your fire came,

They knelt upon the ground, And with one voice they praised.

My first love

My first love is a blazing fire, I feel His pow'rful love in me.
For He has kindled a flame of passion, and I will let is grow in me.
And in the night I will sing Your praise, my love
And in the morning I'll seek Your face, my love

And like a child I will dance in Your presence
Oh, let the joy of heaven pour down on me
I still remember the first day I met You
And I don't ever want to lose that fire, my first love

My first love is a rushing river, a waterfall that will never cease
And in the torrent of tears and laughter, I feel a healing pow'r released
And I will draw from Your well of life, my love
And in Your grace I'll be satisfied, my love

Restore the years of church's slumber, revive the fire that has grown so dim
Renew the love of those first encounters, that we may come a-live again
And we will rise like the dawn throughout the earth

Until the trumpet announces Your return

My salvation is secure (The joy of the Lord)

My salvation is secure

I have a hope that is firm and sure

It rests on nothing that I've ever done

But on the victory Jesus Has won

Yeah, the joy of the Lord is my strength

The joy of the Lord is my strength

In Christ is my confidence

With Jesus, joy never ends

With Jesus, joy never ends

By your grace I have been saved

Not by works but Your gift of faith

I will not boast about my life

Only the cross of Jesus Christ

I wait and I wait, I wait on You Lord

I wait, I wait. I wait on You Lord.

Let Your joy be my joy not the things of this world

Only You can satisfy in Your presence O Lord

There is fulness of joy much better than food and wine

No eye has seen and no ear has heard
And no mind has ever conceived
The glorious things that you have prepared
For everyone who has believed
You brought us near and you called us your own
And made us joint heirs with your Son

How high and how wide, how deep and how long
How sweet and how strong is your love
How lavish your grace, how faithful your ways
How great is your love O Lord

Objects of mercy who should have known wrath
We’re filled with unspeakable joy
Riches of wisdom, unsearchable wealth
And the wonder of knowing your voice
You are our treasure and our great reward
Our hope and our glorious King

O for a thousand tongues to sing

My great Redeemer's praise

The glories of my God and King

The triumphs of His grace

Jesus The Name that charms our fears

That bids our sorrows cease

'Tis music in the sinner's ears

'Tis life and health and peace.

He breaks the power of cancelled sin

He sets the prisoner free

His blood can make the foulest clean

His blood availed for me.

He speaks and listening to His voice

New life the dead receive

The mournful broken hearts rejoice

The humble poor believe.

107. **O God of Love**

O God of love I come to You again, knowing I’ll find mercy

I can’t explain all the things I see, but I’ll trust in You

In every moment You are there, watching over You hear my prayer

You go before me, You’re behind me, nothing’s hidden from You

How good it is to be loved by You

How good it is to be loved by You

O God of strength Your hand is on my life, bringing peace to me

You know my frame, You know how I am made, You planned all my days

Hand of mercy, hand of love, giving power to overcome

If all beneath me falls away, I know that You are God

Who can stand against us?

In my weakness You are strong

Your word is everlasting

I will praise You faithful One
108. O Jesus Son of God

O Jesus Son of God, so full of grace and truth

The Father’s saving Word, so wonderful are you

The angels longed to see and prophets search to find

The glory we have seen revealed

You shone upon the earth but who will understand?

You came unto your own, but who will recognise

Your birth was prophesied, for you were the messiah

Who came and walked upon the earth

Your glory we have seen, the one and only king

And now you’re living in our hearts

Light of the world, Light of the world,

Light of the world, You shine upon us

In you all things were made and nothing without you

In heaven and on earth all things are held in you

And yet you became flesh, living as one of us

Under the shadow of the cross where through the blood you shed you

Have made peace again peace for the world that God so loves

109. O Lord My God (How great thou art)

O Lord my God, When I in awesome wonder
Consider all the works Thy hands have made,
I see the stars, I hear the mighty thunder,
Thy pow’r throughout the universe displayed.

Then sings my soul, my Saviour God to Thee:
How great Thou art! How great Thou art!
Then sings my soul, my Savior God to Thee:
How great Thou art! How great Thou art!

And when I think that God, His Son not sparing,
Sent Him to die, I scarce can take it in.
That on the cross, My burden gladly bearing,
He bled and died to take away my sin.

When Christ shall come with shouts of acclamation,
And take me home, what joy shall fill my heart!
Then I shall bow in humble adoration
And there proclaim, “My God, how great Thou art!”

Carl Boberg 1885
O our Lord and King

O our Lord and King, Our praise to You we bring
There is no other Rock but you.
Seated high above, You are the One we love,
This is our song of praise to You

King forever, You are the first and You’re the last
You are sovereign, all Your commands will always come to pass to give You glory!

Who is like You? Who else is worthy of our praise?
We exalt You, You reign in majesty and awesome splendour, King forever!

Abba Father. Your steadfast love will never fail.
You are faithful. You are God and I will worship in Your courts forever!

Now the daylight flees,
Now the ground beneath
Quakes as its Maker bows His head.
Curtain torn in two,
Dead are raised to life;
‘Finished!’ the victory cry.

Oh, to see my name
Written in the wounds,
For through Your suffering I am free.
Death is crushed to death,
Life is mine to live,
Won through Your selfless love.

This, the power of the cross:
Son of God - slain for us.
What a love! What a cost!
We stand forgiven at the cross.

Over all the earth, you reign on high,
Every mountain stream, every sunset sky,
But my one request, Lord my only aim
Is that you’d reign in me again.

Lord reign in me, Reign in your power;
Over all my dreams, In my darkest hour.
You are the Lord of all I am,
So won’t you reign in me again.

Over every thought, over every word,
May my life reflect the beauty of my Lord;
‘Cause you mean more to me than any earthly thing.
So won’t you reign in me again

In Your Kingdom broken lives are made new, You make all things new.

D          C             G
Cause when we see You, we find strength to face the day.

D          C             G
In Your presence, all our fears are washed away,

D
washed away!
Praise, my soul, the King of Heaven
To His feet thy tribute bring
Ransomed, healed, restored, forgiven
Who like thee His praise should sing?
Praise Him! Praise Him!
Praise Him! Praise Him!
Praise the everlasting King!

Praise Him for His grace and favour
To our fathers in distress
Praise Him, still the same forever
Slow to chide, and swift to bless
Praise Him! Praise Him!
Praise Him! Praise Him!
Glorious in His faithfulness

Father-like, He tends and spares us
Well our feeble frame He knows
In His hands He gently bears us
Rescues us from all our foes
Praise Him! Praise Him!
Praise Him! Praise Him!
Widely as His mercy flows

HF Lyte 1847
Angels in the height, adore Him
Ye behold Him face to face
Sun and moon, bow down before Him
Dwellers all in time and space
Praise Him! Praise Him!
Praise Him! Praise Him!
Praise with us the God of grace!

Salvation belongs to our God

Salvation belongs to our God,
who sits on the throne,
and to the Lamb.

Praise and glory, wisdom and thanks,
honour and power and strength.

Be to our God forever and ever,
Be to our God forever and ever,
Be to our God forever and ever,
A
A-men.

And we, the redeemed, shall be strong
In purpose and unity,
declaring aloud,
Praise and glory, wisdom and thanks,
honour and power and strength

See His love nailed onto a cross
Perfect and blameless life given as sacrifice
See Him there all in the name of love
Broken yet glorious, all for the sake of us

This is Jesus in His glory
King of Heaven dying for me
It is finished, He has done it
Death is beaten, Heaven beckons me

Greater love no one could ever show
Mercy so undeserved, freedom I should not know
All my sin, all of my hidden shame
Died with Him on the cross, eternity won for us

Such love, such love
Such love is this for me (repeat)

Thank you for the cross, the mighty cross

Thank You for the cross, the mighty cross,
That God Himself should die for such as us,
And ev'ry-day we're changed
Into Your image more and more,
Yes, by the cross we've truly been transformed.

And we're so amazed, and we give You praise
That You would save us at such a cost.
We're so amazed, and we give You praise
For the power of the cross,
For the power of the cross.
The cross has said it all

The cross has said it all; the cross has said it all.

I can’t deny what You have shown,

The cross speaks of a God of love;

There displayed for all to see,

Jesus Christ our only hope,

A message of the Father’s heart:

“Come my children, come on home”

As high as the heavens are above the earth,

So high is the measure of Your great love;

As far as the east is from the west,

So far have You taken our sins from us.

The cross has said it all; the cross has said it all.

I never recognised Your touch

Until I met You at the cross.

We are fallen dust to dust;

How could You do this for us?

Son of God shed precious blood;

Who can comprehend this love?

The King of love is my delight, His eyes are fire, His face is light,
The First and Last, the Living One, His name is Jesus.
And from His mouth there comes a sound
That shakes the earth and splits the ground,
And yet this voice is life to me, The voice of Jesus.

And I will sing my songs of love, Calling out across the earth;
The King has come, The King of love has come.
And troubled minds can know His peace, Captive hearts can be released;
The King has come, The King of love has come.

My Lover’s breath is sweetest wine, I am His prize, and He is mine;
How can a sinner know such joy? Because of Jesus.
The wounds of love are in His hands,
The price is paid for sinful man;
Accepted child, forgiven son, Because of Jesus.

And my desire is to have You near,
Lord You know that You are welcome here.
Before such love, before such grace, I will let the walls come down.

The Lord's my shepherd, I'll not want
He makes me lie in pastures green
He leads me by the still, still waters
His goodness restores my soul.

And I will trust in you alone   (I will trust, I will trust in you)
And I will trust in you alone   (I will trust, I will trust in you)
For your endless mercy follows me   (Endless mercy follows me)
Your goodness will lead me home   (Goodness will lead me home)

He guides my ways in righteousness
And he anoints my head with oil
And my cup, it over flows with joy
I feast on his pure delights

And though I walk the darkest path
I will not fear the evil one
For you are with me and your rod and staff
Are the comfort I need to know

The rising Sun that fills the sky

The rising Sun that fills the sky
The Starry host that lights the night
Reflecting Your glory

The mountain heights, forever stand
The rain that falls to soak the land
Respond to Your glory

Almighty God, in every way
You are above and beyond understanding
If we did not praise, the rocks would cry out
Glorious God, high above understanding

The vast expanse of earth and sea
Held by You in harmony
Speaks of Your glory

All You’ve made since time began

And it’s all for Your glory

He has sent you to the poor (This is the year)
To bind up the broken-hearted (This is the day)
To bring freedom to the captives (This is the year)
And to release the ones in darkness

This is the year of the favour of the Lord
This is the day of the vengeance of our God (x2)

The spirit of the Sovereign Lord is upon us
Because he has anointed us to preach good news (x2)

He will comfort all who mourn (This is the year)
He will provide for those who grieve (This is the day)
He will pour out the oil of gladness (This is the year)
Instead of mourning, you will praise

Eternally worthy of praise. We join with creation and sing

Ne-ver end-ing, un-fail-ing, ever-last-ing, un-fad-ing, You are.
The wonder of your mercy, Lord
The beauty of your grace
That you would even pardon me and bring me to this place
I stand before your holiness, I can only stand amazed
The sinless saviour died to make a covenant of grace
I only want to serve you, bring honour to your name
And though I've often failed you, your faithfulness remains
I'll glory in my weakness, that I might know your strength
I will live my life at the cross of Christ and raise a banner to proclaim
You welcome us before you into this holy place
The brilliance of your glory demands our endless praise
The one the only Saviour has opened heavens doors
We can enter in, free from all our sin, by your cleansing sacrifice

There is a day (We will meet him in the air)

There is a day that all creation's waiting for
A day of freedom and liberation for the earth
And on that day the Lord will come to meet His bride
And when we see Him in an instant we'll be changed

The trumpet sounds and the dead will then be raised
By His power, never to perish again
Once only flesh, now clothed with immortality
Death has now been swallowed up in victory

We will meet Him in the air, and then we will be like Him
For we will see Him as He is, oh yeah!
Then all hurt and pain will cease, and we’ll be with Him forever
And In His glory we will live, Oh yeah, oh yeah!

So lift your eyes to the things as yet unseen
That will remain now for all eternity
Though trouble's hard, it's only momentary
And it's achieving our future glory
There is a louder shout to come – 1 of 2

There is a louder shout to come, there is a sweeter song to hear
All the nations with one voice, all the people with one fear
Bowing down before Your throne, every tribe and tongue we'll be
All the nations with one voice, all the people with one King
And what a song we'll sing upon that day!

O what a song we'll sing, and O what a tune we'll bear
You deserve an anthem of the highest praise
O what a joy will rise, and O what a sound we'll make
You deserve an anthem of the highest praise

Now we see a part of this, one day we shall see in full
No one else will share Your praise, and nothing else can take Your place
All the nations with one voice, all the people with one Lord
And what a song we'll sing upon that day!

Spirit of God we wait for You

Fill us anew we pray, fill us anew we pray.
Consuming fire, fan into flame
A passion for Your name
Spirit of God, fall in this place
Lord have Your way, Lord have Your way with us.

Come like a rushing wind
Fill us with power from on high
Now set the captives free
Leave us abandoned to Your praise

Lord let Your glory fall, Lord let Your glory fall

There’s a place where the streets shine

There’s a place, where the streets shine, With the glory of the lamb

There’s a way, we can go there, We can live there beyond time

No more pain, no more sadness, No more suffering, no more tears

No more sin, no more sickness, No injustice, no more death

Because of You, because of You

Because of Your love, because of Your blood

All our sins are washed away, and we can live forever

Now we have this hope, because of You

Oh, we’ll see You face to face, and we will dance together

In the city of our God, because of You

There is joy everlasting, There is gladness, there is peace

There is wine ever flowing, There’s a wedding, there’s a feast

We are thirsty for You to flood our lives

We are thirsty for You today

We are thirsty to see and savor Christ

Lord send Your revival rain

Let it rain, let it rain

Open up the heavens once again

Our Father in heaven

Send the rain, fall again on us

For Your Kingdom, Your glory

Send the rain

Let the rain come, let the rain come on us

Holy Spirit the more we see of Christ

We’ll have passion to make Him known

Then the whole world might know that You are God

153. We come in Your name

We come in Your name for all things You have made
And by Your word all things You sustain
The Lamb that was slain for our sins lives to reign
The Lord of all, Name above all names

We have been saved by faith, into Your glorious name
And this a gift of grace, freely given us.
Now all our sins are gone, defeated at the cross
And we now live in You, raised with You by the power of God

You have been lifted to the highest place,
And You now live and rule forever
We come to bring You to the highest praise,
For You are King of kings forever:
Son of God, Jesus!

Holy is the Lamb, Worthy of glory, worthy of honour.
High and lifted up, And seated in majesty,
Your throne will last for ever (more).

C          D

We will seek your face Almighty God

We will seek Your face Almighty God,

Turn and pray for You to heal our land,

Father let revival start in us,

Then every heart will know Your kingdom come.

Lifting up the name of the Lord,

In power and in unity,

We will see the nations turn,

Touching heaven changing earth.

(Repeat 2x)

Never looking back we'll run the race,

Giving You our lives we gain the prize,

We will take the harvest given us,

Though we sow in tears, we'll reap in joy.

Send revival,

Send revival,

Send revival to us.

What a friend I’ve found

What a friend I’ve found
Closer than a brother
I have felt your touch
More intimate than lovers

Jesus
Jesus

Friend for ever

What a hope I’ve found
More faithful than a mother
It would break my heart
To ever lose each other
When I survey the wondrous cross

On which the Prince of glory died

My richest gain I count but loss

And pour contempt on all my pride

Forbid it Lord, that I should boast

Save in the death of Christ my God

All the vain things that charm me most

I sacrifice them to His blood

See, from His head, His hands, His feet

Sorrow and love flow mingled down

Did e'er such love and sorrow meet

Or thorns compose so rich a crown?

Were the whole realm of nature mine

That were an offering far too small

Love so amazing, so divine

Demands my soul, my life, my all

Isaac Watts 1707
When I was lost

When I was lost, You came and rescued me;

Reached down into the pit and lifted me.

O lord, such love, I was as far from You as I could be.

You know all the things I’ve ever done,

But Jesus’ blood has cancelled every one.

O Lord, such grace to qualify me as Your own.

There is a new song in my mouth, there is a deep cry in my heart,

A hymn of praise to Almighty God, hallelujah!

And now I stand firm on this rock, my life is hidden now with Christ in God

The old has gone and the new has come, hallelujah!

Your love has lifted me

Now I have come into Your family,

For the son of God has died for me.

O Lord such peace, I am as loved by You as I could be.

In the full assurance of Your love,

Now with every confidence we come.

O Lord such joy to know that You delight in us.
161. When the music fades

When the music fades, all is stripped away
And I simply come;
Longing just to bring something that's of worth
That will bless your heart.

I'll bring you more than a song, for a song in itself
Is not what You have required.
You search much deeper within
Through the way things appear,
Your looking into my heart.

I'm coming back to the heart of worship,
And it's all about You, all about You, Jesus.
I'm sorry Lord for the thing I've made it,
When it's all about You, all about You, Jesus.

King of endless worth, no one could express
How much You deserve.
Though I'm weak and poor, all I have is Yours,
Every single breath

Wonderful, so wonderful, is Your unfailing love
Your cross has spoken mercy over me
No eye has seen, no ear has heard, no heart could fully know
How glorious, how beautiful You are

Beautiful One I love You, beautiful One I a-dore
Beautiful One my soul must sing

Powerful, so powerful, Your glory fills the skies
Your mighty works displayed for all to see
The beauty of Your majesty, a-wakes my heart to sing
How marvellous, how wonderful You are

You opened my eyes to Your won-ders anew
You cap-tured my heart with this love
‘Cause no-thing on earth is as beau-tiful as You     (Repeat)

My soul, my soul must sing
My soul, my soul must sing
My soul, my soul must sing, Beautiful One

You chose the cross with every breath
The perfect life, the perfect death, You chose the cross.
A crown of thorns You wore for us
And crowned us with eternal life, You chose the cross.
And through Your soul was overwhelmed with pain
Obedient to death, You overcame

I’m lost in wonder, I’m lost in love
I’m lost in praise for evermore
Because of Jesus’ unfailing love
I am forgiven, I am restored

You loosed the cord of sinfulness
And broke the chains of my disgrace, You chose the cross
Up from the grave victorious
You rose again so glorious, You chose the cross

Em7                           C                        G
You rose again so glorious, You chose the cross

Am7                          G/B                         D
The sorrow that surrounded you was mine

Am7                          G/B                         D
“Yet not my will but Yours be done” You cried

Hallelujah to the King of grace.
You laid aside Your majesty, gave up everything for me.

Suffered at the hands of those You had created.

You took all my guilt and shame,

When You died and rose again.

Now today You reign,

And heaven and earth exalted.

I really want to worship You my Lord,

You have won my heart and I am Yours.

Forever and ever, I will love You.

You are the only one who died for me,

Gave Your life to set me free.

So I lift my voice to You in adoration.

Your mercy taught us how to dance
To celebrate with all we have
And we’ll dance to thank You for mercy.

Your glory taught us how to shout,
We’ll lift Your name in all the earth,
And we’ll shout to the praise of Your glory.

It’s the overflow, of a forgiven soul
And now we’ve seen You God, our hearts cannot stay silent.

And we’ll be a dancing generation
Dancing because of Your great mercy, Lord,
Your great mercy Lord.

And we’ll be a shouting generation
Shouting because of Your great glory Lord,
Your great glory Lord.
